How to use / When it’s useful

Quick answer: use the ribbon as a collector’s item, for historical displays, uniform restoration, or as part of a military surplus and tactical memorabilia collection. It can be mounted on ribbon bars, sewn onto fabric, or kept loose for custom use.

In most cases, collectors select the flat or Elite variant based on display preference and then choose a clamp or screw-mounted holder for secure attachment; choose loose ribbon if you plan custom sewing or restoration work.
