Product overview

The Berretto Norvegese Corpo Forestale is a Norwegian-style wool cap designed for outdoor professionals and enthusiasts who need warmth, comfort and discreet camouflage in cold conditions. It suits hikers, foresters, tactical users, and those shopping military surplus, duty or police-style headwear.

Definition: A wool gabardine cap with a visor, a decorative braid and removable earflaps for variable weather protection. The cap combines durable gabardine wool for warmth and

breathability with a grey-green color that blends into natural environments. Available in three sizes; delivery 15–25 days.

Main features

Functional, low-profile design built for outdoor use and long wear.

- **Material:** Pure wool gabardine for warmth and breathability.
- **Color:** Grey-green for discreet blending with outdoor surroundings.
- **Removable earflaps:** Add or remove for cold or mild conditions.
- **Visor braid:** Decorative braid on the visor; can be used to secure small attachments.
- **Durability:** Gabardine construction helps maintain shape and resist wear.
- **Sizes:** Small (54–56 cm), Medium (57–59 cm), Large (60–62 cm).
- **Availability:** Limited stock; estimated delivery 15–25 days from order.

How to use / When it’s useful

Quick answer: Wear the cap with earflaps down in cold, windy weather and flip or remove them for milder conditions. It is useful for forestry work, hiking, patrols or any outdoor activity requiring durable, warm headwear.

In most cases, pair the cap with your outer layers; the grey-green tone helps with low-visibility tasks while the wool gabardine offers comfort during long shifts or extended outdoor use. The braided visor provides a simple attachment point for small items like a lightweight headlamp clip or carabiner.

Care and notes

Follow basic wool-care practices and the garment care label to keep the cap in good condition.

- Check the sewn care label before cleaning; wool gabardine typically needs gentle washing or professional care.
- Avoid high heat and tumble drying to prevent shrinkage or fiber damage.
- Store in a dry place to protect wool from pests and moisture.
- Limited availability and an estimated delivery time of 15–25 days; order early to secure your size.

FAQ

Q: What material is the Berretto Norvegese Corpo Forestale made of?

A: The cap is made of pure wool gabardine, chosen for its balance of warmth, breathability and resistance to wear.

Q: Which sizes are available?

A: Available sizes are Small (54–56 cm), Medium (57–59 cm) and Large (60–62 cm). Measure your head circumference to choose the right fit.

Q: How do I find the correct size?

A: Measure the circumference of your head at the widest point above the ears and compare it to the listed sizes. Choose the size that most closely matches your measurement.

Q: Are the earflaps removable?

A: Yes. The cap includes removable earflaps that can be attached or detached easily depending on weather and personal preference.

Q: How long is the delivery time?

A: Estimated delivery is 15–25 days from the order date. Availability can be limited, so allow extra time during busy periods.

Q: Is the grey-green color suitable for camouflage?

A: The grey-green tone is designed to blend with natural surroundings for discreet appearance, but it is not specialized camouflage and performance will vary by environment.

Tip: Choose the size that matches your head measurement and consider ordering early due to limited stock and the 15–25 day delivery window; also browse related tactical and military surplus headwear to find matching outdoor gear.
