Product features:

Product short description:

Targhetta ATPI Guardia di Finanza Bassa Visibilità is a low-visibility identification patch for Guardia di Finanza personnel and operators who need discreet, professional ID on uniformed duty.

- **Material:** Made from quality materials to ensure resistance and long service life.
- **Use:** Intended for low-profile operations where discretion and a professional appearance are required.
- **Visibility:** Subtle, low-visibility finish while allowing clear, immediate identification even in reduced light.
- **Design:** Sober, compact style integrates with standard uniforms without adding bulk.
