Care and notes

Basic care keeps the canutiglia and red cloth looking their best while respecting the product’s reserved status.

- Store flat in a cool, dry place away from direct sunlight to prevent fading and deformation.
- Avoid abrasive cleaning or household detergents; seek professional textile care for stains.
- Handle gently—gold-bullion threads can be delicate and may unravel if pulled.
- Sale restrictions: purchase requires proof of GdF membership (military ID) or, at registration, the barracks address for delivery; collectors must supply the licence required under art. 28 TULPS.
