**Definition:** A gold metal cap badge (8.5 cm x 4 cm) with a two-screw rear attachment, made to match the official Guardia di Finanza cap insignia.

### Main features

Durable, officially styled metal badge suitable for duty caps and display in military surplus or police collections.

- **High-quality material:** Gold-coloured metal for long life and a polished appearance.
- **Official design:** Detailed emblem matching the Guardia di Finanza insignia.
- **Secure attachment:** Rear fitting with two screws for stable mounting on a male cap/berretto.
- **Compact size:** Dimensions 8.5 cm x 4 cm — proportioned for the standard male service cap.

### How to use / When it's useful

Use the badge to replace or restore the cap insignia on an official Guardia di Finanza male berretto, or for properly authorized display in a collection. It fits standard placement on the front of the cap and is fixed with the two rear screws.

Quick answer: fit the badge by passing the screws through the cap fabric and secure with the supplied nuts on the inside. In most cases, delivery requires verification—either a copy of the GdF ID or the barracks address as the shipping destination; collectors must provide the prefectural license under art. 28 TULPS.

### Care and notes

Keep the badge clean and check fittings periodically to ensure it remains secure on duty or display caps.

- Clean with a soft cloth; avoid abrasive cleaners that could damage the finish.
- Check and tighten the two-screw attachment occasionally to prevent loosening.
- Sale reserved to Guardia di Finanza members or verified collectors — documentation required at purchase.
- Store in a dry place to avoid tarnishing.
