How to use / When it’s useful

Attach the nappina to the top of the Cappello Alpino where it sits over the hat crown and completes the traditional look; it is intended for Guardia di Finanza Alpine hats and compatible reproductions. Quick answer: it is made to be placed on the hat’s crown and to hold a pen on its top.

Use it when wearing the Alpine hat for duty, ceremonies, or display in a military surplus collection. In most cases, it will suit standard Cappello Alpino models used by the Guardia di Finanza, but check your hat style before purchase to ensure a proper fit.

Care and notes

Keep the nappina in good condition with gentle care appropriate for wood and wool materials.

- Spot clean the wool with a damp cloth; avoid soaking or machine washing.
- Do not expose to open flame or prolonged direct heat; store dry.
- Designed specifically for Cappello Alpino Guardia di Finanza — check compatibility with other hat types.
