- **Presentation:** Polished appearance and detailed design, suitable for framing or display.

Product description:

Product overview

The Medaglia Valore Esercito Oro (Army Valor Gold Medal) is a formal military award for personnel who have performed actions involving grave danger to life. It is intended for military members and collectors of official army decorations.

Definition: a 37 mm gold medal awarded for exceptional valor in the Italian Army, featuring the inscription "AL VALORE DELL'ESERCITO". This military medal is also of interest to collectors and ceremonial displays.

Main features

Key details and visible elements that define this medal.

- **Official design:** Obverse reproduces the trofeo pluriarma with the inscription "AL VALORE DELL'ESERCITO".
- **Reverse motif:** Two laurel branches intertwined as a crown symbolizing victory and honor.
- **Ribbon:** Blue ribbon with two asymmetric yellow stripes on each side.
- **Size:** Available only in the 37 mm format.
- **Material:** Gold construction, giving both symbolic and material value.

How to use / When it’s useful

Use this medal for official presentation, museum or personal display, and formal collections of military awards. It is suitable for ceremonial use and for honoring documented acts of valor.

Quick answer: it is a formal award meant to recognize exceptional bravery and to be kept as a symbol of honor.
In most cases, recipients or collectors display the medal in a case or frame to preserve its condition and meaning.

Care and notes

Basic care and practical notes to preserve the medal’s appearance and value.

- Store in a dry, padded display case to prevent scratches and loss.
- Avoid exposure to harsh chemicals or abrasive cleaners that can damage gold or the ribbon.
- Handle by the edges or ribbon to reduce fingerprints and wear.
- Availability is limited; demand is typically high for official army awards.

FAQ

Q: Who can receive the Medaglia Valore Esercito Oro?

A: It is awarded to military personnel who have performed actions that involved grave or very grave danger to life, in recognition of exceptional valor.

Q: What size is the medal?

A: The medal is available only in a single size: 37 mm.

Q: What material is the medal made of?

A: The medal is made of gold, which provides both symbolic significance and material value.

Q: How is the ribbon designed?

A: The ribbon is blue with two asymmetric yellow stripes on each side, matching the traditional appearance of this award.

Q: What images and inscriptions are on the medal?

A: The front reproduces the trofeo pluriarma with the inscription "AL VALORE DELL'ESERCITO". The back shows two laurel branches woven into a crown.

Q: Can I purchase this medal now?

A: The medal is offered in limited quantities. You can add it to your cart to reserve one while stock lasts.

Tip: Choose the available 37 mm size and consider a protective display case to preserve the medal. Browse related military awards and display options to complete a respectful presentation without rushing your choice.
