How to use / When it’s useful

Quick answer: use the Cappello Alpino Truppa for parades, commemorations, museum display, or as part of a collection of military surplus and tactical uniform items. In most cases, buyers choose it for ceremonial wear or as a symbolic gift to veterans and enthusiasts.

The hat can be sold plain or personalised with badges, tassels, cords and feathers to reflect unit, rank or commemorative needs. It is suitable for formal events and display rather than active operational wear outside uniform contexts.

Care and notes

Basic care keeps the felt in shape and preserves color and structure.

- Store in a dry place away from direct light and humidity.
- Brush gently with a soft-bristle brush or use a dry cloth to remove dust.
- Do not machine wash; use professional dry cleaning or felt-safe cleaners for stubborn stains.
- Avoid folding or crushing the crown to prevent permanent deformation.
