Product short description:

The Fascetta Metallo Kosovo is a heavy-duty metal clamp designed for secure, long-lasting fastenings. Ideal for DIY, industrial and outdoor use by tradespeople, technicians and hobbyists.

- **Material:** High-quality steel providing strong resistance to corrosion and weather.
- **Use:** Versatile design suitable for home projects, workshops and industrial applications.
- **Performance:** Ensures a firm, stable hold to reduce the risk of slippage.
- **Installation:** Easy to install for quick, reliable fastening.

Product description:

Product overview

The Fascetta Metallo Bronzato Kosovo is a bronzed metal recognition bar intended for personnel who served in peacekeeping missions in Kosovo. It is designed to be mounted on the ribbon of a commemorative peacekeeping cross and is aimed at veterans, collectors, and military surplus retailers.

Definition: a fascetta is a small metal bar attached to a medal ribbon to identify a specific mission or theatre. This piece honors service and commitment to stabilization efforts in Kosovo.

Main features

Well-finished and durable, the bar combines symbolic elements with a clean, mission-specific design.

- **Serto d'alloro (Laurel wreath):** symbolizing victory, honor and peace around the central cartouche.
- **Central cartouche with "KOSOVO":** clearly indicates the mission theatre.
- **Bronzed metal finish:** elegant, wear-resistant surface for long-term display.
- **High-definition detailing:** precise relief to represent service and sacrifice.
- **Standard size:** produced to match the common 37 mm ribbon format.

How to use / When it’s useful

Quick answer: mount the fascetta on the ribbon of a commemorative cross to indicate participation in the Kosovo mission. The piece is intended to complement existing medal and ribbon displays.

In most cases, the 37 mm format fits standard commemorative cross ribbons; it is useful for veterans updating awards, family members creating displays, and military surplus or tactical shops offering mission-specific insignia. Use it to highlight duty, peacekeeping service, or as part of a collection.

Care and notes

Simple care keeps the bronzed finish looking its best and ensures long-term preservation.

- Wipe gently with a soft, dry cloth to remove dust and fingerprints.
- Avoid abrasive cleaners or prolonged exposure to moisture to prevent surface wear.
- Store in a dry place away from direct sunlight to limit tarnishing.
- Confirm ribbon width and fit before attaching; the item is sized for a 37 mm ribbon.
- Availability may be limited—check stock when ordering.

FAQ

Q: What size is the Fascetta Metallo Bronzato Kosovo?

A: The fascetta is available exclusively in the 37 mm format, the standard size for application on commemorative cross ribbons.

Q: What material is the bar made of?

A: It is made in bronzed metal with a durable finish designed for long-term display and resistance to ordinary wear.

Q: How do I attach the fascetta to a ribbon?

A: The fascetta is designed to be mounted on the ribbon of a commemorative cross; attachment methods can vary, so confirm compatibility with your specific medal or ribbon.

Q: Is this an official form of recognition?

A: The fascetta is a distinctive symbol intended to recognize service in Kosovo peacekeeping missions and is presented as a formal mission indicator.

Q: Who should buy this product?

A: It is suitable for veterans, family members assembling commemorative displays, collectors of military surplus, and retailers offering tactical or duty-related insignia.

Q: How can I order the Fascetta Metallo Bronzato Kosovo?

A: Order availability is handled through the vendor Tuttomilitare; check their product listings and stock for purchase options and ordering instructions.

Tip: Choose the 37 mm variant to match standard commemorative ribbons and consider browsing related military surplus and tactical insignia to complete your display or collection.
