Product short description:

Fascetta Metallo Bronzato Libano is a sturdy, reliable metal clamp for secure, long-lasting fastening. Suitable for industrial maintenance, workshop use and domestic repairs, it meets the needs of technicians, maintenance crews and DIY users.

- **Material:** High-quality steel construction for durable performance.
- **Finish:** Bronzed surface for added protection and a low-profile appearance.
- **Corrosion resistance:** Designed to resist corrosion and retain performance in harsh conditions.
- **Use:** Versatile design for industrial, workshop and household applications.
- **Installation:** Easy to fit; provides a firm, stable grip to keep components in place.

Product description:

Product overview

The Fascetta Metallo Libano is a 37 mm bronze-finish metal clasp designed for the ribbon of the peacekeeping commemorative cross and intended for personnel who served in missions in

Lebanon. It is aimed at military, police and other duty members who want a clear symbol of their service.

Definition: a small metal ribbon clasp marked "LIBANO" that attaches to the commemorative cross ribbon to indicate service in Lebanon peacekeeping operations.

Main features

Compact, detailed and built for long-term display on a commemorative ribbon.

- **Laurel wreath motif** — a traditional symbol of honor and service.
- **Central cartouche with "LIBANO"** — clearly identifies the mission area.
- **Bronze-finish metal** — durable, with an aged bronze appearance.
- **Standard size 37 mm** — fits the common commemorative cross ribbon format.
- **Fine-detail design** — produced with attention to visual definition.

How to use / When it’s useful

Quick answer: hang or slide the Fascetta Metallo Libano onto the 37 mm ribbon of the commemorative cross to mark service in Lebanon. It is meant specifically for use with peacekeeping decoration ribbons.

In most cases, the clasp is added to a mounted or wearable commemorative cross to provide an additional identifier of the mission. It is useful for collectors, military surplus displays, tactical memorabilia and formal duty or police decorations.

Care and notes

Simple care will keep the clasp looking its best and ensure it remains compatible with your ribbon or display.

- Keep dry and clean with a soft cloth to preserve the bronze finish.
- Handle gently to avoid bending or deforming the clasp.
- Available only in the 37 mm size—check ribbon width before purchase.
- Limited stock may apply; please confirm availability when ordering.

FAQ

Q: What size is the Fascetta Metallo Libano?

A: The clasp is available exclusively in the 37 mm format, the standard size for application on commemorative cross ribbons.

Q: What material is it made from?

A: It is made from bronze-finish metal, which gives it an elegant, durable appearance suitable for long-term display.

Q: How do I attach the fascetta to the ribbon?

A: The fascetta is designed to be hung or slid onto the ribbon of the commemorative cross; ensure the ribbon width matches the 37 mm size for a secure fit.

Q: Is this an official recognition item?

A: The fascetta is intended as a mark of recognition tied to service in Lebanon peacekeeping missions. Check with your issuing authority if you require formal verification for official wear.

Q: Can I buy other sizes or variations?

A: This model is sold only in the standard 37 mm size. For other variants or related items, consult the seller’s catalog or product listings.

Q: Where can I purchase the Fascetta Metallo Libano?

A: The fascetta is offered through authorized military decoration suppliers and specialist retailers. Confirm stock and ordering details with the retailer before purchase.

Tip: Choose the correct 37 mm variant to ensure a proper fit and consider browsing related military surplus and tactical display items to complete your commemorative cross or collection.
