How to use / When it's useful

Quick answer: wear the 37 mm version for formal uniforms and ceremonies, or choose the 20 mm gala size for a subtler display on dress uniforms or civilian presentation. The cross is useful for official events, commemorations, and as a personal keepsake.

In most cases, the decoration is worn by qualified personnel to recognize service in public order missions; it also fits well in collections of military surplus, tactical memorabilia, and police duty awards. Choose the size and any fascette based on how and where you will display or wear the cross.

Care and notes

Basic care keeps the bronze cross in good condition and preserves the ribbon colors. Handle with care when adding or removing fascette.

- Gently clean bronze with a soft cloth; avoid abrasive cleaners and harsh chemicals.
- Store the cross away from prolonged moisture and direct sunlight to protect ribbon colors.
- Attach fascette carefully to avoid damaging the ribbon fabric.
- Check mounting hardware periodically if worn on uniforms to ensure secure fit.
