- **Wardrobe:** Essential basic that adds a natural, understated touch to your look.

Product description:

Product overview

The Olive Drab Cotton T?Shirt is a 100% cotton, short-sleeve shirt designed for outdoor, casual, and duty use — ideal for military surplus shoppers, tactical users, and police or security personnel who need a reliable basic. Definition: a durable, breathable olive drab T?shirt made for everyday wear and active use.

It pairs a classic military look with simple, functional details for comfort and long-term wear. The shirt works well as a base layer for tactical setups or as a standalone casual tee.

Main features

Simple, durable construction and classic styling make this shirt practical for multiple uses.

- Material: 100% cotton for softness and breathability.
- Color: Olive drab for a classic military/tactical appearance.
- Construction: Ribbed collar and arm openings for added strength and shape retention.
- Durability: Quality fabric designed to keep form and color through repeated wear.
- Sizes: Available XS–XXL (Chest circumference: XS 45 cm, M 48 cm, L 50 cm, XL 53 cm, XXL 56 cm; Lengths: 67–79 cm).

How to use / When it’s useful

Wear this T?shirt as a standalone casual top, under a uniform or jacket, or as a base layer for tactical and outdoor activities. It suits hiking, training, fieldwork, everyday duty, and general military surplus styling.

Quick answer: Ideal as a breathable, comfortable everyday or duty tee. In most cases, choose your usual size or consult the size guide above for a fitted or relaxed look depending on how you plan to layer.

Care and notes

Follow simple care steps to preserve softness, color, and fit.

- Follow the garment label instructions for best results.
- Wash cold with similar colors to reduce color transfer and preserve dye.
- Air dry or tumble dry on low to maintain shape and reduce shrinkage.
- Avoid bleach and high heat to protect fibers and color.

FAQ

Q: How should I wash this T?shirt?

A: Wash cold with similar colors and follow the care label. Air drying or low-temperature tumble dry will help preserve fabric and fit.

Q: Is this shirt suitable for sports or high-intensity activities?

A: Yes. The 100% cotton fabric is breathable and comfortable for outdoor and light-to-moderate activity, but heavy sweating may leave cotton damp longer than synthetic performance fabrics.

Q: Will the olive drab color fade after multiple washes?

A: The fabric is made to retain color with normal care, but always wash with similar colors and avoid high-heat drying to minimize fading over time.

Q: How do I choose the right size?

A: Check the size table above for chest circumference and length. If you plan to layer, consider one size up for extra room; for a fitted look, choose your regular size.

Q: Is this T?shirt suitable for duty or uniform use?

A: Yes. Its plain olive drab color and sturdy construction make it suitable as a duty or base-layer tee for many uniforms and tactical outfits.

Q: Can people with sensitive skin wear this shirt?

A: Most users find 100% cotton gentle on skin, but if you have known cotton sensitivities or textile allergies, test the garment briefly or consult your physician.

Tip: Choose the size that matches your chest measurements and intended layering; check the size chart above before ordering and consider browsing related military, tactical, or duty basics to complete your kit.
