Product short description:

The Giubbino Antiproiettile Sottocamicia IIIA is a concealable bulletproof undershirt designed for professionals who require discreet, everyday ballistic protection.

- **Protection:** Certified to resist Level IIIA ballistic threats, offering discreet coverage when worn under clothing.
- **Use:** Suited to security personnel, plainclothes officers and staff who need low-profile, daily protection.
- **Material:** Lightweight, breathable construction ensures comfort and temperature regulation during long shifts.
- **Fit:** Slim, invisible profile allows full freedom of movement and fits comfortably under garments.
