EAN13: 0658606560741
UPC: 658606560741

**Product features:**

**Product short description:**

Rigid tonfa baton for law enforcement, security personnel and tactical users who need a sturdy control and impact tool. The classic side-handle design offers reliable leverage and control for blocking, striking and retention maneuvers during defensive or operational use.

- **Material:** Rigid construction with a fixed side-handle for secure handling.
- **Use:** Intended for defensive techniques, control, restraint and positional advantage.
- **Handling:** Side-handle grip allows multiple holds for blocking, striking and leverage.
- **Carry:** Compact profile suitable for duty carry when used with an appropriate tonfa holster or holder.

**Product attributes:**

Manganello Tonfa: Senza Anello per Cinturone, Con Anello per Cinturone
