Product overview

The design honors regional and military heritage: a green shield (Alpine troops' color) with the Patriarch of Aquileia's eagle on a blue field, a gold cartouche reading "BRIGATA ALPINA JULIA" and the motto "Nomine Tanto Firmissima." The piece includes a hologram to certify authenticity and commercial licensing.

How to use / When it's useful

Quick answer: use the crest as a display piece in a collection, on a wall, in a frame or shadow box, or as a commemorative gift for personnel and veterans. It is a decorative emblem rather than issued uniform equipment.

In most cases, buyers keep the crest for display or historical presentation—suitable for military surplus stores, tactical-themed rooms, or duty-room décor. If you plan to mount it, choose mounting hardware appropriate for brass plaques (hardware is not included).

Care and notes

Simple care preserves the enamel and brass finish: avoid harsh abrasives and prolonged exposure to moisture or direct sunlight.

- Wipe with a soft, dry or slightly damp cloth; avoid abrasive cleaners.
- Store in a dry place and avoid prolonged direct sunlight to protect enamel color.
- Do not assume mounting hardware is included; select screws or adhesives suitable for metal plaques.
- Authenticity is supported by the hologram; keep any packaging or certificates with the item.
