Product overview

The nastrino de la Défense Nationale Francese is a French military ribbon intended for Italian military personnel who have honorably taken part in operational activities with the French Army for one year. Definition: a 37 mm regulation ribbon that recognizes one year of service alongside the French Army.

This ribbon is available in the standard 37 mm format and can be ordered in a domed "Elite"

finish, fitted with selectable rear attachments, bought as a loose ribbon for medals, or mounted on multi-place ribbon bars. It is suitable for service wear, collectors of military surplus, tactical displays, and duty or police uniform sets.

Main features

Key features and ordering options for the nastrino de la Défense Nationale Francese:

- **Regulation size 37 mm:** Standard military format for ribbon bars.
- **Domed (Elite) variant:** Optional curved finish for a refined appearance.
- **Rear attachment options:** Select screws or clamps in the dropdown when ordering.
- **Loose ribbon option:** Available as a loose ribbon if you need to sew or fit it to a medal.
- **Multi-place mounting:** Can be fitted to two-or-more place metal ribbon bars for display or uniform use.
- **Limited availability:** Stock is finite and the ribbon is often requested by collectors and service members.

How to use / When it’s useful

The ribbon is typically fitted to a uniform ribbon bar using the chosen rear attachment (screws or clamps) or attached to a medal if purchased as a loose ribbon. Quick answer: choose the rear fitting or the loose ribbon option at checkout depending on whether you will wear it on a bar or a medal.

Use this nastrino for formal uniform wear, parade and ceremonial displays, or for collector and military surplus showcases. In most cases, service members should confirm entitlement and correct wear with their chain of command or protocol office before wearing the ribbon.

Care and notes

Handle and store the ribbon to preserve appearance and fittings:

- Keep the ribbon dry and store it in a soft case to avoid bending or fading.
- Avoid exposure to strong heat, chemicals, or abrasive cleaning agents.
- Verify the rear attachment choice (screws or clamps) before finalizing the order.
- Confirm eligibility and uniform regulations with your command or protocol office prior to wear.

FAQ

Q: Who can receive the nastrino de la Défense Nationale Francese?

A: The ribbon is intended for Italian military personnel who have honorably participated in operational activities with the French Army for one year. Check eligibility and awarding

procedures with your military authorities.

Q: What rear attachment options are available?

A: You can choose between a rear attachment with screws or with clamps. Select the desired fitting from the product dropdown before adding the item to your cart.

Q: Is the ribbon available in other sizes?

A: No. This nastrino is produced only in the regulation 37 mm format to match standard military ribbon bars.

Q: Can I buy the ribbon as a loose ribbon for a medal?

A: Yes. The loose ribbon option is available in the product menu for customers who need to attach it to a medal.

Q: Can the ribbon be mounted on a multi-place ribbon bar?

A: Yes. The ribbon can be fitted on two-or-more place metal ribbon bars for combined display. Choose the ribbon bar product when you need multi-place mounting.

Q: Is this an official French award ribbon?

A: The product matches the regulation 37 mm format used for the de la Défense Nationale ribbon. For confirmation of official status, entitlement, and correct wear, please consult the relevant military authorities or protocol office.

Tip: When ordering, select the correct rear attachment (screws or clamps) or choose the loose ribbon option for medals; consider a two-or-more place ribbon bar for display. Browse related tactical, military surplus, duty, and police items to complete your uniform or collection.
