Product overview

The Scudetto Ricamato Omerale Terzo Rgt Guastatori is an embroidered shoulder patch for supporters, collectors, and personnel connected to the Terzo Reggimento Genio Guastatori. Definition: a 5.5 x 7 cm embroidered shoulder emblem on an olive?green background with a hook-and-loop rear for easy attachment.

This patch shows the Genio Guastatori symbol (a dagger with a red flame in front of a bomb) and is suitable for tactical kits, military surplus collections, or duty and police gear where permitted. It is made to be durable and is offered in limited quantities.

Main features

Clear, durable, and easy to fit to loop-panel surfaces on uniforms and gear.

- **Distinctive design:** Genio Guastatori emblem with dagger, red flame and bomb on an olive-green field.
- **Durable construction:** Quality embroidery and materials designed for long-lasting use.
- **Hook-and-loop backing:** Velcro rear for quick attachment and removal from jackets, sleeves, backpacks, or plate carriers.
- **Compact size:** 5.5 x 7 cm — visible but not bulky.
- **Unit pride:** A recognizable symbol for collectors and service supporters.

How to use / When it’s useful

Quick answer: attach the patch to any loop-panel surface — uniform sleeves, tactical vests, field jackets, or bags — using the rear hook-and-loop strip. In most cases, it fits standard hook panels used on tactical and duty gear.

Use this patch to mark unit association, add authentic detail to a military surplus collection, or personalise duty and police equipment where regulations allow. Check your unit or organizational rules before wearing it on official uniforms.

Care and notes

Simple care keeps the patch looking its best and preserves the hook-and-loop backing.

- Remove the patch before washing the garment to protect stitching and hook-and-loop.
- Avoid ironing directly over the embroidered area.
- Clean gently with mild soap and a soft cloth if needed; air dry flat.
- Store flat or attached to a loop panel to prevent deformation of the backing.

FAQ

Q: What are the patch dimensions?

A: The embroidered shoulder patch measures 5.5 x 7 cm. It is compact enough for sleeves and visible on outer garments.

Q: How do I attach the patch?

A: The patch has hook-and-loop (velcro) on the rear. Press it onto a compatible loop panel for a secure fit and peel off to remove.

Q: What material is the patch made of?

A: The patch is embroidered with durable threads on an olive-green fabric backing and a hook-and-loop rear. It is built for regular use but not rated to any specific military standard.

Q: Can I wash clothing with the patch attached?

A: It is recommended to remove the patch before laundering the garment to protect the embroidery and the hook-and-loop backing.

Q: Is the patch available in other colors?

A: This design is currently produced only on an olive-green background, as described.

Q: Is this suitable for tactical or duty use?

A: Yes, the patch is compatible with tactical and duty gear that uses loop panels. Always confirm uniform rules with your organization before wearing it on official clothing.

Tip: Check the 5.5 x 7 cm size and your intended attachment point before ordering, and browse related tactical patches and military surplus items to complete your kit or collection.
