How to use / When it’s useful

The hat is appropriate for ceremonial duty, parades and everyday service where Alpini dress regulations apply. It also fits collectors of military surplus and users seeking authentic tactical-style headgear with traditional detailing.

Care and notes

Basic care keeps the hat looking correct and prolongs its life; treat the felt gently despite its waterproof properties.

- Measure head circumference with a tape measure above the ears and eyebrows.
- Size chart: 54–55 cm = S; 56–57 cm = M; 58–59 cm = L; 60–61 cm = XL; 62–63 cm = XXL.
- If your measurement is between sizes, choose the larger size for comfort.
- Store dry and brush lightly to remove dust; avoid prolonged immersion despite waterproofing.
- Confirm customization details (fregio, pen, nappina) at order to match rank or preference.
