How to use / When it’s useful

Quick answer: Use this fregio on the male service cap to display rank and affiliation during formal duties and ceremonies. It fits standard Carabinieri caps and is intended for uniform wear.

In most cases, you will buy this insignia if you are active Carabinieri staff replacing a worn emblem or if you are an approved collector with the required licence. It also suits restorations of period uniforms for display or official reissue.

Care and notes

Keep the fregio dry and store flat to preserve the metal thread and embroidery shape.

- Avoid heavy rubbing and contact with liquids to protect the canutiglia gold thread.
- Store in a cool, dry place away from direct sunlight to prevent discoloration.
- Sale is restricted: identity verification via military ID or shipment to a barracks is required.
- Collectors must provide a copy of the prefectoral licence under art. 28 TULPS for purchase.
