Product short description:

The Anello Totenkopft silver ring, marked Muller and Himmler, is a handcrafted silver jewel featuring a distinctive skull motif. It suits buyers who prefer bold, characterful accessories. Refined details and high-quality silver ensure lasting shine and a subtle, mysterious touch.

- **Material:** High-quality silver with polished finish.
- **Design:** Bold Totenkopft (skull) motif with fine detailing.
- **Marking:** Marked Muller and Himmler, as shown.
- **Use:** Suitable for everyday wear to add a distinctive accent.

Product description:

Product overview

The Anello Totenkopft in Silver (name Muller and Himmler) is a high-quality reproduction ring aimed at collectors, historians, and enthusiasts of WWII-era military insignia, tactical/military surplus items, and police historical uniforms. It reproduces the style of the ring associated with H.

Himmler and the SS and is intended for display, collection, or study rather than official duty use.

Definition: a faithful replica of the SS Totenkopfring as issued to certain officers, showing interior engravings and period symbols. The ring measures 20 mm in diameter and is made from high-quality silver.

Main features

Clean, factual details for buyers and collectors.

- **Material:** high-quality silver for durability and display.
- **Authentic engravings:** interior engraving reads A. Müller, date 1942/08/10, and H. Himmler with SS marking.
- **Historic symbolism:** death’s head, runes and oak leaves recreated—symbols historically used by the SS to express sacrifice, loyalty and related ideological messages.
- **Size:** 20 mm diameter, designed to fit most fingers.
- **Collector interest:** produced as a historical reproduction for military surplus and memorabilia collections.
- **Limited availability:** supplied in small quantities and aimed at collectors and study purposes.

How to use / When it’s useful

Use this ring primarily as a display or research item in a private collection, museum context, or as part of historical reenactment and study. It is not intended for official duty wear with police or military uniforms.

Quick answer: It is a reproduction for collectors, historians, and tactical/military surplus enthusiasts. In most cases, buyers use it for display, study, or reenactment rather than daily wear or official duty.

Care and notes

Simple care keeps the silver in good condition; note the historical sensitivity of the item and handle accordingly.

- Polish with a silver cloth and avoid harsh chemicals.
- Store in a dry place to prevent tarnishing.
- Intended for collectors and historical study; be aware the symbols can be offensive in some contexts.
- Check local regulations or venue rules regarding display or sale of WWII-era items if unsure.

FAQ

Q: What is the ring made of?

A: The ring is made of high-quality silver. No specific hallmark or purity rating is claimed beyond the description provided.

Q: What size is the ring?

A: The ring has a diameter of 20 mm. Please confirm this measurement against your preferred sizing method before purchase.

Q: What engravings and markings does the ring have?

A: Interior engravings include A. Müller, the date 1942/08/10, H. Himmler and SS markings, matching the original ring design reproduced here.

Q: Is this an original wartime ring?

A: No. This is a faithful reproduction created for collectors and historical purposes, not an original wartime artifact.

Q: Are there legal restrictions on buying or displaying this item?

A: Laws and policies vary by country and venue. We recommend checking local regulations and event rules before purchasing or publicly displaying items with historical SS symbols.

Q: How should I care for the ring?

A: Clean gently with a silver polishing cloth, avoid moisture and abrasive cleaners, and store in a dry, separated compartment to prevent scratches and tarnish.

Tip: Choose the correct size before adding to cart and consider browsing related historical or military surplus items to complete your collection; select items that match your collecting focus (tactical, military surplus, duty, police) and display needs.
