Product overview

The Fregio Metallo Berretto Maschile Carabinieri is a silvered metal cap badge designed for the male beret of appointed ranks in the Arma dei Carabinieri. It is intended for Carabinieri personnel and registered collectors who meet legal purchase requirements.

Definition: a metal cap badge featuring the 13-point flame and central grenade with the RI monogram, sized for the male service beret. Suitable for tactical, duty, and ceremonial use in military and police contexts.

Main features

Clear, durable construction and a traditional design make this badge a proper emblem of rank and unit identity.

- **Material:** silvered metal for durability and a classic finish.
- **Distinctive design:** 13-point flame with central grenade bearing the RI monogram.
- **Secure attachment:** rear wing-tab fastener ensures a stable fit on the beret.
- **Size:** 8 x 8.5 cm — proportioned for the male beret.
- **Sale restrictions:** sale reserved to Arma dei Carabinieri personnel; collectors require prefectoral licence per art. 28 TULPS.

How to use / When it’s useful

Use this badge mounted on the front of the male beret for uniform wear during duty, formal events, and ceremonial occasions. It fits the beret of appointed ranks and matches traditional Carabinieri dress.

Quick answer: fit the badge to the beret using the rear wing tabs for a secure hold. In most cases: it is worn on duty and at official ceremonies where the standard cap badge is required.

Care and notes

Maintain the badge to preserve appearance and function; follow simple cleaning steps and observe legal purchase rules.

- Clean with a soft, dry or slightly damp cloth; avoid abrasive cleaners or harsh chemicals.
- Store in a dry place to prevent tarnishing or corrosion.
- Sale is reserved to Carabinieri personnel; collectors must provide a copy of the prefectoral licence (art. 28 TULPS).
- Purchase requires identity verification via military ID or shipment to the barracks as proof of eligibility.
