Product overview

The Gradi Gala Scelto Carabinieri are a pair of embroidered rank insignia intended for personnel of the Arma dei Carabinieri and for licensed collectors. Definition: a pair of black-fabric, red-thread embroidered gala ranks for the Scelto rank of the Carabinieri.

They add formal distinction to gala uniforms and are suitable for duty dress and ceremonial use in police and tactical contexts. Availability is limited and sale is subject to identity verification for authorized personnel or a prefectural license for collectors (art. 28 TULPS).

Main features

Designed for gala uniforms, these ranks combine traditional styling with durable embroidery suited to military and police use.

- **High-quality embroidery:** red thread on black fabric for lasting appearance.
- **Central lustrone:** a polished central detail that enhances the formal look.
- **Correct orientation:** apply with the vertex pointing down on gala uniform sleeves.
- **Pair format:** sold as a matched pair for both sleeves.
- **Restricted sale:** purchase requires identity verification or a collector’s prefectural license (art. 28 TULPS).

How to use / When it’s useful

Apply the Gradi Gala with the pointed end (vertex) facing down on the sleeves of gala uniforms to match standard Carabinieri dress protocol. They are most useful for formal ceremonies, parades, and official duty appearances.

Quick answer: apply to gala uniform sleeves with the vertex down. In most cases, we verify buyer identity by requesting a copy of the military ID or by delivering to the unit’s command address; collectors must provide the prefectural license required by art. 28 TULPS.

Care and notes

Basic care will protect the embroidery and fabric while respecting the restrictions on sale and ownership.

- Spot clean or hand wash gently; avoid machine washing to preserve embroidery.
- Store flat or on a padded surface to avoid creasing the lustrone and thread work.
- Sale is reserved: you must provide military ID or confirm delivery to your command, or present the required collector’s license.
- Limited stock: orders may be delayed while identity is being verified.
