Product short description:

Primo Capitano Aeronautica Militare is a men's fragrance that channels the elegance and strength of Italian aviation. Combining fresh and spicy accords, it evokes the emotion of flight and adventure. The refined bottle, inspired by aircraft aerodynamic lines, is a stylish piece to display for the modern man who wants to project confidence and distinction.

- **Fragrance:** Fresh and spicy accords that recall flight and adventure.
- **Bottle:** Refined, aerodynamic-inspired design for display.
- **Target:** Modern man seeking a confident, stylish scent.
- **Experience:** Distinctive, refined olfactory presence.

Product description:

Product overview

This is an embroidered pair of rank insignia for the uniform sleeve of the Primo Capitano Aeronautica Militare, intended for military personnel appointed by official decree. It is designed for members of the Italian Air Force who need the correct rank badge for duty or official uniform use.

Definition: a Primo Capitano Aeronautica Militare insignia is a stitched sleeve badge showing the rank of Primo Capitano, reserved to personnel identified through the formal decree of appointment. Keywords: military insignia, tactical uniform, duty rank badge.

Main features

Carefully made to match the traditional look of the Primo Capitano insignia, this embroidered pair is sized for clear visibility on the uniform sleeve.

- **Design:** Blue cloth background with three golden chevrons; the highest chevron forms a squared ring and a blue rectangle edged in gold at the lower end.
- **Size:** 5.5 cm width x 5 cm height, suitable for standard sleeve placement.
- **Pack:** Sold as a pair, embroidered for uniform use.
- **Durability:** Made with quality materials for long-lasting wear.
- **Restricted use:** Reserved for military personnel named by decree of appointment.

How to use / When it’s useful

Use this insignia to replace worn rank badges or to outfit a duty uniform where the Primo Capitano rank is required. Apply it following your service dress regulations to ensure correct placement and appearance.

Quick answer: it is for qualified military personnel wearing the Primo Capitano rank. In most cases, the badge is attached to the uniform sleeve in the standard position—follow your unit’s uniform guidelines for attachment method.

Care and notes

Maintain appearance by following gentle cleaning and handling; the badge is built to last but should be treated like other uniform insignia.

- Avoid abrasive cleaning; spot clean when possible.
- Store flat to prevent creasing or edge wear.
- Availability is limited and sale is reserved to personnel identified by decree; check purchase eligibility before ordering.

FAQ

Q: Who can purchase the Primo Capitano Aeronautica Militare insignia?

A: Purchase is restricted to military personnel identified through the official decree of appointment. Verification may be required at checkout.

Q: What are the exact dimensions of the insignia?

A: The insignia measures 5.5 cm in width and 5 cm in height, sold as a pair for both sleeves.

Q: What materials and design details does it have?

A: It is embroidered on blue cloth with three golden chevrons—the top chevron forms a squared ring—and a blue rectangle edged in gold at the lower end.

Q: How is the insignia applied to the uniform?

A: The badge is designed for easy application to the uniform sleeve without compromising fabric integrity; follow your service regulations for the recommended attachment method.

Q: Can I buy more than one pair?

A: Availability is limited and sale conditions are reserved. Contact customer service or review purchase conditions to confirm if multiple pairs can be ordered.

Q: Is this an official rank insignia?

A: The item reproduces the official Primo Capitano insignia and is intended for personnel appointed by decree; it is meant for authorized use on the service uniform.

Tip: Choose the correct variant and verify eligibility before ordering. Check related rank insignia and uniform accessories to complete your duty or tactical kit responsibly.
