Product overview

The Nastrino Nocchiere Abilitato al Comando (NAC) GdF is a woven ribbon badge for Inspectors of the Guardia di Finanza who hold the Nocchiere Abilitato al Comando specialization. It is intended for professional duty wear, collectors of military surplus insignia, and uniformed

personnel in police or tactical roles.

Definition: the NAC ribbon is a 37 mm embroidered ribbon on a yellow background, showing an anchor topped by a ship's wheel with the letters A (left) and C (right), identifying command qualification.

Main features

Designed for recognition and durability, this ribbon is made to match official appearance standards while offering simple mounting options for service or display use.

- **Official design:** Anchor with ship's wheel and letters A and C on yellow field, as used by GdF Inspectors with NAC specialization.
- **High-quality embroidery:** Durable stitched construction suitable for uniform wear.
- **Size:** Available only in 37 mm diameter.
- **Finish options:** Regular flat format or slightly domed "Elite" variant.
- **Mounting choices:** Portanastrino with rear clamp attachment or screw attachment selectable at purchase.
- **For authorised personnel:** Reserved for Inspectors holding the NAC qualification.

How to use / When it’s useful

Quick answer: wear the NAC ribbon when you have earned the Nocchiere Abilitato al Comando qualification and when official dress requires it. It is placed on the ribbon bar or the designated position of the uniform according to Guardia di Finanza regulations.

In most cases, the ribbon is worn at the time of qualification and may be retained after the end of the assignment provided the separation occurred without demerit. It can also be mounted on multi-place ribbon bars for display or uniform use in tactical, police, or duty settings.

Care and notes

Keep the ribbon clean and correctly mounted to preserve appearance and serviceability; follow these simple guidelines.

- Spot clean gently with a damp cloth; avoid harsh chemicals or abrasive cleaning.
- Store flat or on a ribbon bar to prevent deformation, especially for the Elite domed variant.
- Choose the correct mounting option (clamp or screw) for your uniform or display needs.
- Availability is limited and the ribbon is produced only in the 37 mm size.
- Authorized wear only for Inspectors with the NAC specialization; wearing rules apply.
