Product overview

The Nastrino Condotte di Vedette Velocissime o Alta Velocità GdF is a service ribbon for Guardia di Finanza officers and inspectors who completed the qualifications for commanding high-speed patrol units. It is intended for Ufficiali with the "Comandante di Stazione e Unità Navali" specialization and Ispettori with the "Nocchiere Abilitato al Comando NAC".

Definition: a small, 37 mm service ribbon on a yellow background with a 2 mm embroidered blue horizontal stripe that identifies the holder's qualification and duty. Suitable for tactical, military surplus, duty and police uniform use.

Main features

Key details and practical options at a glance.

- **Distinctive design:** Yellow field with a 2 mm blue embroidered horizontal stripe for immediate recognition.
- **Durable construction:** Made from long-lasting materials to keep shape and embroidery intact over time.
- **Size:** Available only in the 37 mm format.
- **Variants:** Regular flat format or slightly domed "Elite" finish.
- **Mounting options:** Can be supplied with a ribbon holder featuring a rear attachment by clamps or screws for secure fitting.
- **Authorized wear:** Use is permitted on achievement and may continue after the end of assignment or loss of specialization without demerit.

How to use / When it’s useful

Wear the ribbon on your uniform according to Guardia di Finanza regulations once the related qualification is awarded. It is a visible sign of the holder’s training and command qualification for high-speed maritime units.

Quick answer: Authorized holders wear the ribbon from the moment of qualification. In most cases, it remains permitted even after the assignment ends or if the specialization is lost without demerit.

Care and notes

Simple notes to keep the ribbon in good condition and ensure correct use.
