- **Mounting choices:** available with a ribbon holder featuring rear clamps or rear screws (selectable at purchase).
- **Durability:** made from resilient materials for long-lasting wear in duty and tactical environments.
- **Eligibility:** authorized for wear by I.S.A.F. personnel holding the specified GdF qualification.

How to use / When it’s useful

Quick answer: wear the nastrino when you hold the "Aiuto Perito Selettore" GdF qualification and on uniforms or ribbon bars appropriate to your service dress. It is authorized at the time of qualification and, in cases without demerit, may still be worn after the assignment ends.

In most cases, choose the mount style (clamps or screws) that fits your ribbon bar or display method. Use the Elite variant where a slightly domed appearance is preferred for ceremonial or collector presentation.

Care and notes

Basic care and practical notes to preserve appearance and ensure correct use.

- Only wear if you are authorized: this ribbon is reserved for qualified I.S.A.F. personnel holding the "Aiuto Perito Selettore" GdF.
- Keep dry and store flat to avoid creasing; clean gently by hand if needed.
- Select the correct mount option (clamps or screws) in the product dropdown before checkout.
- Available only in 37 mm width; check compatibility with your existing ribbon bars or multi-slot mounts.
- Limited stock: consider ordering soon if you need one for duty or display.

FAQ

Q: Who is allowed to wear the Nastrino Aiuto Perito Selettore GdF?

A: It may be worn by I.S.A.F. personnel who have earned the "Aiuto Perito Selettore" GdF qualification. Authorization is required to wear this ribbon on official uniform.

Q: What does the ribbon look like?

A: The ribbon is green with a central 2 mm white embroidered horizontal stripe and is 37 mm wide. It is a simple, recognizable service ribbon.
