Product short description:

The Nastrino Corso Consigliere Qualificato in DIU is a quality ribbon that denotes successful completion of an advanced course in international humanitarian law. It is aimed at legal and military professionals who want a formal insignia to represent their training and commitment.

- **Material:** Made from durable, high-quality materials with a refined finish.
- **Use:** Intended for legal and military personnel; suitable to wear on uniforms or formal dress.
- **Significance:** Represents completion of the qualified adviser course in DIU and professional dedication to humanitarian law.
- **Presentation:** Neat, discreet design appropriate for official or ceremonial display.

Product description:

Product overview

The Nastrino Corso Consigliere Qualificato DIU is a uniform ribbon for graduates of the Qualified Adviser Course in International Humanitarian Law (DIU). It is intended for legal advisers and uniformed personnel who wish to display recognized training in IHL on tactical, military surplus or duty uniforms.

Definition: a 37 mm embroidered ribbon bar with a sky-blue background, a 2 mm white

embroidered border and the IHL acronym in gold thread. The ribbon signals legal competence in the field of International Humanitarian Law.

Main features

Clear visual design and practical attachment options make this ribbon suitable for formal uniforms and duty wear.

- **Design:** Sky-blue background with a 2 mm white embroidered border.
- **IHL in gold thread:** Central embroidered acronym (IHL) in gold-colored thread for clear identification.
- **Formats:** Available flat (regular) or slightly domed Elite variant for a refined look.
- **Attachment options:** Choose rear clamps or screws for a secure fit on uniforms.
- **Size:** Supplied exclusively in the 37 mm format for optimal visibility and uniform appearance.
- **Suitable uses:** Designed to be worn on military, police and other duty uniforms in place of specialty badges.

How to use / When it’s useful

Quick answer: Wear the ribbon on the uniform in place of specialty insignia after completing the Corso Consigliere Qualificato in DIU. Select the flat or Elite version and the preferred rear attachment (clamps or screws) before mounting.

In most cases, the ribbon is used for formal occasions, parades and official duty where recognition of IHL training is required. Choose the attachment type that matches your uniform fabric and mounting method to ensure a stable, professional display.

Care and notes

Basic care preserves embroidery and appearance; choose attachment and storage to protect the ribbon.

- Remove or protect the ribbon before laundering the uniform to avoid damage to the embroidery or attachment hardware.
- Store in a dry place and avoid prolonged exposure to direct sunlight to preserve thread color.
- Check fastenings periodically and prefer clamps or screws that match your uniform’s mounting plate for secure fit.
- Availability is limited; consider ordering promptly if you need a specific variant or attachment type.

FAQ

Q: What does the IHL acronym on the ribbon mean?

A: IHL stands for International Humanitarian Law, the legal framework for protecting persons in armed conflict. The ribbon marks training and expertise in this field.

Q: Which formats are available?

A: The ribbon is offered in two styles: a regular flat format and a slightly domed Elite variant for a more pronounced appearance.

Q: What attachment options can I choose?

A: You can select rear clamps or screws as the attachment method. Choose the option that best suits your uniform’s mounting plate or fabric.

Q: Can the ribbon be personalized?

A: The ribbon can be ordered with different attachment options and in the two design variants; further customizations should be confirmed with the supplier before purchase.

Q: How can I display multiple ribbons together?

A: Multiple ribbons can be mounted on a single metal ribbon bar or display plate designed to hold several ribbons in order. Ensure spacing and alignment match uniform regulations.

Q: Is this ribbon available in other sizes?

A: This specific nastrino is supplied exclusively in the 37 mm format to ensure consistent visibility and compatibility with standard uniform displays.

Tip: Choose the flat or Elite variant and the correct attachment for your uniform before ordering; if you plan to display several ribbons, check ribbon bar compatibility and browse related duty and uniform accessories to complete the set.
