Product price:

€19.50 tax included

Product codes:

Reference: Art. 1185
EAN13: 0658606561625
UPC: 658606561625

Product features:

Product short description:

The Reflective Traffic Paddle is a compact signaling tool for traffic controllers, event staff and motorists who need clear, visible hand signals. Designed to reflect light, it improves safety and direction in low-light or busy conditions.

- **Material:** Made from durable, high-quality materials with a reflective surface for increased visibility.
- **Use:** Ideal for road control, event management and emergency situations.
- **Visibility:** Reflective design ensures signals remain visible in poor light and at night.
- **Design:** Lightweight, ergonomic shape for a comfortable, secure grip and easy handling.
