- **Care:** Clean gently with a silver cloth to preserve details and finish.

Product description:

Product overview

This is a hallmarked silver reproduction ring modeled on the Bandkampfabzeichen anti-partisan badge, intended for collectors, military historians, and enthusiasts of historical military items.

Definition: a 900-fineness silver ring reproducing the Bandkampfabzeichen anti-partisan badge design.

The ring is presented as a historically accurate replica with detailed badge imagery and is aimed at those who collect military surplus, historical military jewelry, or Waffen-SS related items for study or display.

Main features

Clear, durable construction and faithful badge detail make this piece suitable for wear or display by collectors and history enthusiasts.

- **Material:** Hallmarked 900 silver (900 fineness).
- **Authentic badge design:** Front reproduces the Bandkampfabzeichen anti-partisan badge with a sword and shield entwined by snakes.
- **Side detail:** Sides reproduce the Nazi eagle clutching the swastika, matching the original badge imagery.
- **Size:** Internal diameter 21 mm (fits most fingers within this size range).
- **Reproduction:** A carefully made replica intended for collectors rather than an original wartime-issued item.

How to use / When it’s useful

Quick answer: Wear it as a collector’s ring or keep it as a display piece in a historical collection. It suits collectors, museums, and researchers who document or study World War II insignia and related items.

In most cases, the ring is used either for display in a collection or occasional wear by private collectors. Because it carries sensitive historical symbols, consider the context before public display or wearing in public spaces.

Care and notes

Basic silver care will keep the ring in good condition; handle and store it with care and be aware of the historical symbols it bears.

- Clean with a soft cloth and mild silver cleaner; avoid harsh chemicals and abrasives.
- Store in a dry place away from direct sunlight to reduce tarnishing.
- Stamped with a "900" silver fineness mark; other hallmarks may be present.
- Note: the ring reproduces Nazi insignia; public display may be offensive and could be subject to local restrictions or laws.

FAQ

Q: What material is the ring made of?

A: The ring is made of 900-fineness silver and is hallmarked to indicate the silver content.

Q: What is the internal size of the ring?

A: The internal diameter is 21 mm. Please check your ring size chart to confirm fit before ordering.

Q: What does the design represent?

A: The design reproduces the Bandkampfabzeichen anti-partisan badge: a sword and shield entwined by snakes, with an eagle clutching a swastika on the sides.

Q: Is this an original wartime item?

A: No. This product is a reproduction made for collectors and historians, not an original issued ring from the wartime period.

Q: Can I wear this ring every day?

A: Yes, the ring is made for durability and can be worn regularly, but follow silver care guidance and consider the sensitive nature of the symbols when worn in public.

Q: Are there legal or display considerations?

A: Yes. The ring includes Nazi symbols that can be offensive and may be restricted in some places; check local laws and social context before displaying or wearing it publicly.

Tip: Choose the correct size variant before purchase and review related historical or collector items in our catalog to complete your collection or find matching display pieces.
