Product overview

The Medaglia Kosovo Nato is a commemorative service medal for civilian and military personnel who took part in NATO operations in Kosovo. Definition: the Medaglia Kosovo Nato is a service medal recognizing participation and commitment during NATO missions such as Allied Force and Joint Guardian.

This medal is suitable for veterans, collectors, and ceremonial display on duty or dress uniforms. It acknowledges service during a period of instability and is offered in limited quantities.

Main features

Clear, symbolic design and two size options make this medal suitable for uniform wear or presentation. Keywords: military medal, service medal, military surplus.

- **Ribbon design:** blue ribbon with a central 6 mm vertical stripe and two 3 mm stripes at the edges, symbolizing cohesion and strength.
- **Two sizes:** large 37 mm and reduced gala version 20 mm.
- **Wear or display:** selectable formats allow personal choice for mounting on uniform or in a presentation case.
- **Historic context:** linked to NATO operations in Kosovo (Allied Force, Joint Guardian).
- **Limited availability:** produced in small quantities due to demand and commemorative nature.

How to use / When it’s useful

Use the 37 mm version for presentation with standard uniform wear and choose the 20 mm gala version for formal dress or compact display. Display in a case or on a medal bar according to service dress regulations where applicable.

Quick answer: choose the 37 mm for uniform presentation and the 20 mm for gala or compact display.
In most cases, veterans and collectors select the size that best matches their existing medals or display preferences.

Care and notes

Keep the medal in a dry, cool place and avoid abrasive cleaning; follow standard care for commemorative medals.

- Store in a protective case or soft cloth to prevent scratches.
- Clean gently with a soft, dry cloth; avoid strong chemicals.
- Check uniform regulations before wearing on duty or official events.
- Note limited stock—availability may change without notice.

FAQ

Q: What sizes are available for the Medaglia Kosovo Nato?

A: The medal is available in two sizes: a large 37 mm version and a reduced gala version of 20 mm. Choose based on how you plan to wear or display it.

Q: What does the ribbon design mean?

A: The blue ribbon has a central 6 mm vertical stripe and two 3 mm edge stripes. The pattern is intended to represent cohesion, strength, and the collective nature of the mission.

Q: Who is eligible to receive this medal?

A: This medal commemorates civilian and military personnel who participated in NATO operations in Kosovo. It is offered as a commemorative item for those who served.

Q: How do I buy the Medaglia Kosovo Nato?

A: Add the chosen size to your cart on this site and complete the checkout process. Availability is limited, so please confirm stock before finalizing your order.

Q: Can I wear the medal on official duty?

A: Wearing the medal on official duty depends on your service’s dress regulations. Check your organisation’s rules before wearing it on uniform.

Q: Why is this medal in limited supply?

A: Demand and the commemorative nature of the Medaglia Kosovo Nato mean production quantities are restricted. Limited stock reflects its role as a service recognition item.

Tip: Select the size that best fits your uniform or display preference—37 mm for standard presentation, 20 mm for gala wear—and consider related service medals or holders to complete your display.
