- **Recognition:** Honors service and dedication during Nato Joint Enterprise Operation peace missions.
- **Design:** Elegant, meaningful design suitable for display, uniform mounting or preservation.
- **Ideal for:** Veterans, participants in the missions and collectors.
- **Condition:** Presented as a dignified keepsake symbolizing professionalism and sacrifice.

Product description:

Product overview

The Balkans NATO Joint Enterprise Operation Medal is a commemorative medal for service in NATO missions in the Balkans, offered for collectors, veterans, tactical and military surplus buyers, and police memorabilia enthusiasts. Definition: a NATO-recognized medal that marks participation in the Joint Enterprise Operation coordinating KFOR, NATO-EU activities and

related missions.

Available in two sizes (37 mm and 20 mm), this medal is offered as a high-quality collectible item and symbol of service. It is suitable for display, uniform mounting where permitted, or as part of a historical collection.

Main features

Key attributes that make this medal a meaningful collectible and display piece:

- **Official recognition:** Issued as a NATO-recognized medal for the Joint Enterprise Operation in the Balkans.
- **Two sizes:** Available in 37 mm and 20 mm formats to suit display or wear preferences.
- **Durable materials:** Made from quality materials to preserve appearance over time.
- **Historical value:** Commemorates NATO service and operations in Kosovo, Tirana and Sarajevo.
- **Collectible appeal:** A relevant addition to military surplus, tactical and police memorabilia collections.

How to use / When it’s useful

Quick answer: choose the size you prefer and select it from the dropdown menu to reserve or purchase the medal. In most cases, the 37 mm size is used for display and the 20 mm size is suited to compact collections or miniatures.

The medal is useful for veterans commemorating service, collectors of military surplus and tactical gear, and police/history museums or displays. Use it in a protected case, on a display board, or mounted with other service medals according to local uniform regulations.

Care and notes

Basic care keeps the medal in good condition and preserves its collector value.

- Handle with clean hands and avoid abrasive cleaning methods.
- Store in a dry, cool place away from direct sunlight to prevent discoloration.
- Select the correct size (37 mm or 20 mm) at checkout — this item cannot be resized.
- Limited availability: stock may be reduced due to collector demand; order promptly if needed.

FAQ

Q: What sizes are available for this medal?

A: The medal is available in 37 mm and 20 mm formats. Choose the preferred size from the

dropdown menu before adding to your cart.

Q: How do I order or reserve the medal?

A: Select the size option in the product dropdown and add the item to your cart to reserve or purchase. Follow the standard checkout process for payment and delivery.

Q: How many countries took part in the Balkans Joint Enterprise?

A: Currently, 31 countries participate in the Balkans Joint Enterprise Operation in Kosovo, with an overall commitment of about 5,500 troops.

Q: Is this an official NATO recognition?

A: Yes. The medal is presented as a NATO-recognized medal related to the Joint Enterprise Operation and associated activities.

Q: Is the medal suitable for collectors?

A: Yes. It is intended as a collectible and historical piece for military surplus, tactical and police memorabilia collections and for veterans commemorating service.

Q: What materials is the medal made from?

A: The medal is made from quality materials designed for durability and long-term display. Specific metal composition is not specified in the product description.

Tip: Choose the correct size (37 mm or 20 mm) from the dropdown before purchasing and consider browsing related military surplus and tactical memorabilia items to complete your display or collection.
