Product short description:

The Eagle Assist Article 5 NATO ribbon is a commemorative service ribbon for personnel who took part in NATO collective defence missions. Made from quality materials, it honors the courage and dedication of service members.

- **Material:** Made from high-quality materials with careful stitching.
- **Use:** Commemorates participation in NATO Article 5 missions; suitable for veterans, service members and collectors.
- **Design:** Elegant, distinctive appearance for wear on uniforms or display.
- **Tribute:** A tangible symbol of service and international solidarity.

Product description:

Product overview

The Eagle Assist Article 5 NATO ribbon is a service ribbon issued to military and civilian personnel who supported NATO operations in North American airspace after the 11 September 2001 attacks. It is intended for veterans, uniformed personnel, collectors, and anyone maintaining duty or ceremonial displays.

Definition: a 37 mm NATO-blue service ribbon with a central white vertical stripe and a gold line

representing Article 5. This ribbon is suitable for use on uniform ribbon bars and as part of military surplus or tactical gear collections.

Main features

Designed to match official appearance and to fit standard ribbon mounting systems, the Eagle Assist Article 5 NATO ribbon balances authentic look with durable construction.

- **Distinctive design:** NATO blue field with a central white vertical stripe and a gold line evoking Article 5.
- **Durable materials:** Made to retain appearance and integrity during wear and display.
- **Standard size:** Supplied in the 37 mm regulation size.
- **Two finishes:** Available in the flat 37 mm regulation format and a slightly domed "Elite" variant.
- **Mounting options:** Fits on ribbon bars using screws or clamps (attachment type selectable).
- **Compatible with multi-place bars:** Can be mounted alongside other ribbons on two- or multi-position metal ribbon bars.

How to use / When it’s useful

Quick answer: attach the ribbon to a standard 37 mm ribbon bar using the chosen screws or clamps and position it with your other service ribbons. In most cases, the flat or Elite variant will match existing ribbon sets for formal uniforms, displays, or collector presentations.

Use this ribbon when assembling duty or ceremonial ribbon bars, restoring military surplus gear, or curating a uniform display. It is appropriate for veterans' reunions, ceremonial wear, and archival collections where accurate representation of NATO-related awards is required.

Care and notes

Handle and store the ribbon to preserve its color and shape; choose the correct attachment and bar type for secure mounting.

- Store in a cool, dry place to avoid fading or deformation.
- Match the 37 mm size and select flat or Elite to suit existing ribbons.
- Choose the correct mounting hardware (screws or clamps) when ordering to ensure proper fit.
- Availability is limited due to production and demand; consider ordering promptly if required.

FAQ

Q: Who was eligible to receive the Eagle Assist Article 5 NATO ribbon?

A: The ribbon was issued to military and civilian personnel who participated in NATO operations in North American airspace following the 11 September 2001 attacks.

Q: What are the ribbon dimensions and finish options?

A: The ribbon is supplied in the regulation 37 mm width and is available in a flat regulation finish or a slightly domed "Elite" variant.

Q: How is the ribbon attached to a uniform?

A: It mounts to standard ribbon bars using either screws or clamps; the attachment type can be selected when you order.

Q: Can this ribbon be combined with others on the same bar?

A: Yes. It is suitable for use on two- or multi-place metal ribbon bars and can be fitted alongside other service ribbons.

Q: What do the colors and symbols on the ribbon mean?

A: The NATO blue identifies the Alliance, the central white stripe symbolizes peace, and the gold line is intended to evoke Article 5 of the NATO treaty.

Q: Is this ribbon currently available?

A: Stock is limited due to production and demand. If you need this ribbon for uniform use or a collection, add it to your cart to reserve it while available.

Tip: Choose the flat 37 mm or the Elite domed variant to match your existing ribbons, and select the correct screws or clamps for your ribbon bar. Also consider browsing related ribbon bars and mounting accessories to complete your uniform or display.
