- **Use:** Suitable for outdoor activities, airsoft and display/collection.
- **Fit:** Comfortable cut with practical detailing for everyday wear.
- **Condition:** Robust construction and neat finishing for reliable performance.

Product description:

Product overview

The Woodland Camo combat uniform of the Esercito Italiano is a two-piece jacket and trousers set designed for military personnel, field operators, collectors and tactical enthusiasts. It combines practical pockets and identification details for use in field duty, training and everyday wear.

Definition: A two-piece Italian Army Woodland camouflage combat uniform (jacket and trousers) built for functionality and recognizable military identity. This tactical military surplus item suits duty, police training and civilian outdoor use.

Main features

Simple, functional design with practical details for carrying gear and showing unit identity.

- **Two-piece set:** Jacket and trousers with button closures for a secure, adjustable fit.
- **Multiple pockets:** Slanted side pockets, rear flap pockets and large cargo pockets for maps, tools and essentials.
- **Belt loops:** Standard belt loops allow personal configuration with a variety of belts and accessories.
- **Adjustable cuffs:** Buttoned front and elasticated cuffs help keep the uniform in place during active use.
- **Distinctive details:** Cloth rank stars on the collar, sleeve pockets and a velcro Italy shield on the left arm for easy identification.
- **Durable construction:** Made from resistant materials intended for repeated field use and long service life.

How to use / When it’s useful

Use this uniform for field operations, training, outdoor work, reenactment or everyday tactical wear. The design balances storage, comfort and a military look that is useful for professionals and collectors alike.

Quick answer: Suitable for both field duty and casual daily wear when you need a durable, functional outer layer. In most cases, follow the sizing guidance to ensure freedom of movement and proper coverage during active use.

Care and notes

Basic care keeps the camo looking and performing its best while preserving badges and closures.

- Wash by hand or machine on a gentle cycle with mild detergent; avoid bleach and aggressive chemicals.
- Close buttons and Velcro before washing to protect fabric and fastenings.
- The uniform is not waterproof; it offers good resistance to wear but is not a substitute for rainproof outerwear.
- Consult the size guide to choose the correct fit; sizes typically range from S to XXL.

FAQ

Q: What sizes are available for the Woodland Camo uniform?

A: Sizes generally range from S to XXL. Check the provided size guide and measurements to pick the best fit for your body and layering needs.

Q: Is this uniform suitable for everyday wear?

A: Yes. The uniform is designed for comfort and functionality, making it suitable for both field use and everyday tactical or casual wear.

Q: How should I wash the uniform?

A: Wash by hand or on a gentle machine cycle with mild detergent. Avoid bleach and strong chemicals, and fasten buttons and Velcro before laundering.

Q: Is the camouflage uniform waterproof?

A: No. The uniform is made from durable, weather-resistant materials but is not waterproof. Use a rain shell for wet conditions.

Q: Can I add patches or accessories?

A: Yes. Belt loops and Velcro panels allow for personalization with patches, belts and compatible accessories commonly used in tactical and military surplus setups.

Q: Is the uniform an official issue item?

A: The uniform carries the look and identification details of the Esercito Italiano Woodland pattern. Availability may be limited; check the product listing for current stock and authenticity notes.

Tip: Choose the right size by comparing your measurements to the size guide and consider related tactical or military surplus items (belts, outer layers, or accessories) to complete your kit without overbuying.
