Product overview

The Gold Metal Badge with rear clamp fittings for the Aeronautica Militare is an official gilt emblem intended for serving members of the Italian Air Force. It is designed to be worn on the

cap badge strip (bustina) or on the beret (basco) and identifies service, rank and tradition.

Definition: a metal gilt insignia worn on uniform headgear to show affiliation with the Aeronautica Militare. This product is reserved for active personnel and sold through Tutto Militare with a verification procedure.

Main features

High-quality construction and a classic Air Force design make this badge suitable for dress and duty uniforms.

- **Material:** gold-colored metal with durable finish for long life.
- **Size:** 3.8 cm diameter, ideal for bustina or basco placement.
- **Attachment:** rear clamp fittings for secure, easy mounting.
- **Design:** upright eagle, fruited branches, mural crown and sky-blue background.
- **Durability:** crafted to resist everyday wear and typical outdoor conditions.
- **Use cases:** for military dress, tactical appearance and duty uniform identification.

How to use / When it’s useful

Quick answer: attach the badge using the rear clamp fittings to the cap badge strip (bustina) or to the beret (basco); the clamps hold the emblem firmly during normal use. The fastening system is practical for routine wear and official duties.

In most cases, the badge is used for ceremonial dress, daily duty, and formal appearances where official identification and tradition are required. Purchase requires identity verification through Tutto Militare; you may also request delivery directly to your barracks to simplify verification.

Care and notes

Basic care keeps the badge looking its best while preserving the clamp fittings and finish.

- Wipe with a soft, dry cloth; avoid abrasive cleaners or strong chemicals.
- Check clamps periodically to ensure the badge stays securely in place.
- Sale reserved to active Aeronautica Militare personnel; verification (ID or service certificate) is required.
- You may request shipment to your barracks or service address to simplify verification.

FAQ

Q: What are the badge dimensions?

A: The badge measures 3.8 cm in diameter, a size chosen to be visible but not bulky on both bustina and basco.

Q: How is the badge attached?

A: It uses rear clamp fittings that allow quick, secure mounting on the cap badge strip or beret. The clamps are designed for stable wear during routine activities.

Q: What material is the badge made from?

A: The emblem is made of high-quality gold-colored metal with a durable finish that resists wear and common outdoor exposure.

Q: Who can buy this badge?

A: Sale is reserved exclusively to active personnel of the Aeronautica Militare. Tutto Militare verifies eligibility before completing the order.

Q: What documents are needed to purchase?

A: Buyers must submit a copy of their military ID or a service certificate via the contact form on Tutto Militare. As an alternative, you can provide a barracks or service address for delivery.

Q: Can you ship directly to a barracks?

A: Yes. Shipping to a barracks or official service address is accepted and often simplifies the verification process for delivery to authorized personnel.

Tip: Choose the correct placement (bustina or basco) and confirm your service details before ordering; browse other official insignia and related uniform items on Tutto Militare to complete your dress and duty equipment selection.
