Product short description:

The "Fregio Plastica Aeronautica Militare" is a plastic badge representing the Aeronautica Militare (Italian Air Force), designed for collectors, military history enthusiasts and anyone seeking a tasteful display piece or gift.

- **Material:** High-quality plastic construction, suitable for display.
- **Design:** Detailed, authentic emblem that pays tribute to the skill and courage of Italian aviators.
- **Use:** Ideal for collections, museum displays, office or home decor, or as a commemorative gift.
- **Presentation:** Adds a touch of prestige and historical character to any environment.

Product description:

Product overview

This is a black-backed plastic insignia (fregio) designed for the beret or cap of the Aeronautica Militare, intended for serving air force personnel. It is a formal emblem that identifies membership

and reflects service tradition.

Definition: A 7 cm plastic Air Force insignia showing an upright eagle surrounded by two fruiting branches and topped by a turreted crown, on a black background. Ideal for military duty wear, tactical uniforms, and official headgear where authorised.

Main features

Durable, lightweight and produced with a detailed finish, this fregio keeps a formal look while remaining comfortable for everyday use.

- **Material:** High-quality plastic for wear resistance.
- **Size:** 7 cm diameter, standard for berets and caps.
- **Design:** Upright eagle, two fruiting branches and a turreted crown on a black background.
- **Finish:** Detailed, sharp relief for a professional appearance.
- **Weight:** Lightweight for comfort during daily duty.

How to use / When it’s useful

Use this fregio to complete the official Aeronautica Militare beret or cap. It provides a formal, recognizable insignia suitable for daily service and ceremonial duties.

Quick answer: It is intended for serving Aeronautica Militare personnel and for use on official berets and caps. In most cases, the 7 cm size fits standard military headgear used by the corps.

Care and notes

Maintain the fregio with simple care and follow purchase rules to ensure proper, authorised use.

- Clean gently with a soft, damp cloth; avoid strong solvents or abrasive cleaners.
- Store away from prolonged direct sunlight to preserve colour and finish.
- Size check: 7 cm is the standard dimension—verify compatibility with your headgear before fitting.
- Purchase restriction: sale reserved to Aeronautica Militare personnel; ID verification is required.

FAQ

Q: Who can buy this Aeronautica Militare fregio?

A: Only serving personnel of the Aeronautica Militare may purchase this product, after verification of required documentation.

Q: What documents are needed to buy the fregio?

A: You must provide a copy of your military ID or a service certificate to prove membership in the Aeronautica Militare. Verification is completed before purchase is authorised.

Q: Can civilians buy the fregio?

A: No. Sales are strictly reserved for authorised military personnel and are enforced to protect proper use of the insignia.

Q: What are the fregio’s dimensions?

A: The fregio measures 7 cm across, a standard size for official berets and caps of the Aeronautica Militare.

Q: How long does delivery take?

A: Dispatch occurs a few days after document verification. Exact timing depends on verification speed and chosen shipping method.

Q: Can I return the fregio if there is a problem?

A: Yes, returns are accepted according to Tutto Militare’s return policy. Items must meet the return conditions specified by the store.

Tip: Choose the correct 7 cm variant and have your military ID ready before ordering to speed up approval. Browse related insignia and uniform accessories to complete your kit.
