Product overview

The Military Dog Tag Pendant with Bullet-style Charm is a metal necklace designed for people who like tactical, military-surplus style and everyday wearable gear. It suits both casual and smarter outfits and is aimed at men and women who want a rugged, duty-inspired accessory.

Definition: a 3 cm x 5 cm metal dog tag with an integrated bullet-style detail on a 66 cm ball chain. This item is offered in the Style Dog Tags US Army look and is sold as a fashion accessory, not as official military-issued equipment.

Main features

Simple, durable design that mixes military aesthetics with everyday wearability. Useful for tactical, military surplus, and police-style wardrobes.

- **Integrated bullet-style detail:** Adds a distinctive, tactical look without separate parts.
- **Durable metal construction:** Built to last with a solid metal finish for daily use.
- **Compact size:** 3 cm wide x 5 cm long for a balanced presence that isn't bulky.
- **66 cm ball chain:** Comfortable length that fits over most clothing.
- **Unisex design:** Suitable for both men and women and fits multiple styles.

How to use / When it's useful

Wear it as a standalone piece or layer it with other necklaces for a tactical or military-surplus inspired look. It works well for everyday use, events, or as part of a themed outfit.

Quick answer: Wear it like any necklace — the 66 cm chain sits comfortably on most people. In most cases, it serves as a style accessory rather than an official or functional ID tag.

Care and notes

Basic care keeps the finish looking its best and ensures the piece lasts through regular wear.

- Wipe with a soft, dry cloth to remove dirt and oils.
- Avoid harsh chemicals and prolonged exposure to water to protect the finish.
- Store separately to prevent scratches against other jewelry.
- The bullet-style detail is part of the design and is not removable.

FAQ

Q: What material is the dog tag made of?

A: The tag is made from a quality metal designed for durability and everyday use. The exact metal finish may vary by batch.

Q: What are the tag dimensions?

A: The dog tag measures 3 cm in width and 5 cm in length, providing a clear but compact look.

Q: How long is the chain?

A: The ball chain is 66 cm long, a comfortable length that fits over most clothing and layers well with other necklaces.

Q: Is this suitable for both men and women?

A: Yes. The design is unisex and works with a range of styles from casual to tactical-inspired outfits.

Q: Is the bullet removable?

A: No. The bullet-style detail is integrated into the pendant and is not designed to be removed.

Q: Is this an official US Army dog tag?

A: The product is styled as "Style Dog Tags US Army" for a military-inspired look. It is a fashion accessory and not official military-issued equipment unless explicitly stated.

Tip: Choose the Chain length or finish variant that best fits your style and check related tactical and military surplus accessories to build a coordinated look.
