Product overview

The Fregio Basco 9 Col Moschin Folgore Incursori is a metal cap badge made for the basco of

the 9° Col Moschin, the Incursori Paracadutisti assault regiment. It is intended for serving members of the unit and for verified military collectors who hold the required permits.

Definition: a metal insignia (5 cm) that identifies belonging to the 9° Col Moschin Folgore Incursori. This badge is a durable, duty-style piece suitable for tactical and military surplus collections.

Main features

Key characteristics that make this badge suitable for uniform wear and collector displays:

- **High-quality metal** construction for long-lasting appearance and durability.
- **Exclusive design** specifically modeled for the 9° Col Moschin unit.
- **Compact size:** 5 cm diameter, proportioned for the basco without being bulky.
- **Rear piccaglia fastening** for secure attachment during active use.
- **Restricted sale:** available to unit members and licensed collectors only.

How to use / When it’s useful

Use the badge to identify unit membership on the basco or as part of a regulated military collection. Mount it by aligning the rear piccaglia fastening and pressing gently until it is secure.

Quick answer: this badge is for serving personnel of the 9° Col Moschin and verified collectors with a licenza prefettizia ex art. 28 TULPS. In most cases, shipping is arranged to the buyer’s command headquarters as required by regulations.

Care and notes

Simple care keeps the metal badge looking its best and ensures the fastening remains secure.

- Store dry and avoid prolonged exposure to humidity to prevent surface wear.
- Do not bend the badge or force the piccaglia fastening; press evenly when attaching.
- Sale and shipping are restricted: collectors must provide a copy of the licenza prefettizia ex art. 28 TULPS.
- Shipping will be made to the command headquarters indicated by the buyer.
