Product short description:

A commemorative badge, the Scudetto PAN MB-339 Frecce Tricolori celebrates Italian aviation and the national aerobatic team. Suitable for collectors and aviation enthusiasts who want a tasteful, patriotic emblem for jackets or backpacks.

- **Material:** Made from quality materials with a durable finish.
- **Design:** MB-339 motif with vivid Italian tricolor integrated into the layout.
- **Use:** Adds character to outerwear, backpacks or display collections.
- **Ideal for:** Aviation fans, collectors and supporters of the Frecce Tricolori.

Product description:

Product overview

The Scudetto PAN MB-339 Frecce Tricolori is a licensed, round embroidered patch showing the MB-339 jet and the three tricolour arrows of Italy’s Pattuglia Acrobatica Nazionale. It is designed for aviation fans, collectors, and those who add authentic patches to tactical, military surplus, or duty-style gear.

Definition: a 9 cm round, licensed embroidered patch depicting the MB-339 on a light blue field with stylised tricolour arrows. The patch is made for display on jackets, backpacks, or in a collection and is produced under commercial license.

Main features

Clear design and durable construction make this patch suitable for collectors and for adding a military or tactical look to clothing and bags.

- **Recognizable design:** MB-339 aircraft with three Frecce Tricolori arrows on a light blue field.
- **High-quality embroidery:** Made to hold detail and color over time.
- **Size:** 9 cm diameter—easy to place on jackets, backpacks, or display cases.
- **Licensed product:** Produced under a commercial license to ensure authenticity.
- **Versatile use:** Suitable for collectors, tactical-style apparel, military surplus displays, and police/duty-themed items.

How to use / When it’s useful

Quick answer: Place the patch on jackets, rucksacks, caps, or in a display frame to show support for the Frecce Tricolori or to expand a patch collection. It works well as a collector’s item or as a decorative addition to field and duty-style gear.

In most cases, sewing the patch gives the most secure attachment; it can also be used with compatible fabric adhesives or mounted for display. Check the garment’s care instructions before applying to performance fabrics.

Care and notes

Basic care and handling will help preserve the patch’s appearance and attachment.

- Hand-wash garments with the patch where possible and avoid aggressive machine washing.
- If ironing is needed, protect the patch with a cloth and use low heat; avoid direct high heat.
- Sewing is recommended for a permanent fit; use appropriate thread and stitching for the fabric.
- Limited availability: stock is restricted and the item may not be restocked quickly.

FAQ

Q: What are the patch dimensions?

A: The patch is 9 cm in diameter. This size fits well on jackets, backpacks, caps, and display boards.

Q: Is the patch easy to apply to clothing?

A: Yes. The embroidered design adapts to most fabrics. Sewing provides the most secure attachment; check adhesives or backing if you need a temporary fix.

Q: Is this an official product?

A: Yes. The Scudetto PAN MB-339 Frecce Tricolori is produced under a commercial license, which supports its authenticity.

Q: What materials are used?

A: The patch is made with durable embroidered materials designed to hold color and detail. Specific fabric blends are not listed on the product label.

Q: Can I buy more than one?

A: Yes, multiple pieces can be purchased. Keep in mind availability is limited and popular items may sell out fast.

Q: Is this suitable for tactical or police duty use?

A: The patch is intended as a collectible and decorative insignia for tactical-style or duty-themed apparel. It does not replace official service insignia or sanctioned uniform items.

Tip: Choose the correct quantity and verify attachment method before purchase. Browse related aviation and tactical patches to build a coordinated collection without rushing your choice.
