How to use / When it’s useful

Quick answer: Pin it to a jacket, cap, bag or display board to show support for the Frecce Tricolori or add a military/tactical touch to your gear. The small size makes it unobtrusive yet visible.

In most cases, wear it on lapels, uniform-like jackets, backpacks or inside display cabinets. For collectors, it works well grouped with other military surplus patches and aviation pins for a neat, themed display.
