Product description:

Product overview

This is an embroidered unit patch for the 8° Reggimento Alpini — Battaglione Gemona "Mai d'Aur", designed for collectors, veterans, active personnel and fans of military history. It suits tactical clothing, military surplus gear, duty uniforms and police-style equipment.

Definition: an embroidered identification patch showing the Alpini eagle, ice axe, regimental number and a commemorative wave motif. The patch combines historical symbolism with durable materials for field and display use.

Main features

Durable, detailed embroidery with operational and low-profile color options, made in Italy to meet common quality criteria for military clothing and tactical gear.

- Colors: camouflage tones for operational use; gold-yellow for eagle wing and lettering; grey for the ice axe; black outlines.
- High-precision embroidery with reinforced edge and sewn Velcro backing for secure attachment.
- Design details: eagle head and wing, alpine ice axe, regimental number "8", marine wave motif and the inscription “ALPINI DEL GEMONA - MAI D’AUR”.
- Motto meaning: “Mai d’Aur” (Friulian) translates to “Never back” or “Never retreat”, reflecting unit tenacity.
- Available versions: high-visibility (bright colors) and low-visibility/subdued (darkened) for operational concealment.
- Manufactured in Italy with industrial embroidery processes and quality inspections.
- Resistant to abrasion, weather exposure and regular field use.

How to use / When it’s useful

Quick answer: attach the patch to any garment or gear with a loop-side Velcro panel — jackets, softshells, combat shirts, backpacks and tactical bags. It also works well on display panels for collections or commemorations.

In most cases, choose the high-visibility version for display and ceremonial use, and the low-profile subdued version for tactical, outdoor or operational contexts. Select the desired variant from the product options when ordering.

Care and notes

Basic care keeps the patch looking sharp and preserves the Velcro attachment for long-term use.

- Remove the patch before machine washing the garment where possible.
- Wash garments gently and at low temperature; avoid bleach and strong detergents.
- Air dry; avoid high-heat tumble drying to protect embroidery and Velcro.
- Store flat or on a display panel to prevent edge deformation.

FAQ

Q: Is this patch an original design?

A: Yes. The patch reproduces the official insignia and commemorative elements associated with the 8° Reggimento Alpini — Battaglione Gemona as offered by Tutto Militare.

Q: Will it attach to modern operational uniforms?

A: Yes. The patch has a sewn loop-side Velcro back for immediate application to hook-side panels on uniforms, bags and tactical gear.

Q: Can I wash clothing with the patch attached?

A: It is recommended to remove the patch before washing when possible. If left on, use a gentle cycle at low temperature and avoid bleach or strong chemicals.

Q: Are bulk orders or unit requests possible?

A: Yes. Tutto Militare accepts group and unit orders — contact customer service for pricing, lead times and tailored quotes.

Q: Is the patch immediately available?

A: Generally yes, subject to stock availability. Typical shipping is within 24–48 working hours where listed as in stock.

Q: How do I choose between high-visibility and low-profile versions?

A: Choose high-visibility for display, ceremonial or collector use; choose low-profile/subdued for field operations, tactical use or when camouflage is required. Select the option in the product dropdown.

Tip: Choose the version that matches your intended use (display vs. tactical) and check the product options before ordering; browse related patches and accessories to complete your military surplus or tactical gear collection.
