It is intended for serving penitentiary police personnel and licensed collectors. Simple definition: a formal silver chinstrap with rank galloons for the Sovrintendente Capo rank.

The chinstrap is made from silver-coloured ribbon with penitentiary-blue detailing and three silver rank galloons at each temple. Two variants are offered: the newer model that follows the 10 December 2014 decree and the older type with blue piping.

- New model complies with the decree of 10 December 2014 (GU n. 52 of 4 March 2015): 15 mm wide with a 5 mm central black band and silver galloons.
