Product short description:

Embroidered patch for Carabinieri Aeronautica Militare, made for collectors and enthusiasts who value Italian military tradition. It brings a tasteful touch of history and prestige to uniforms or personal collections.

- **Material:** Embroidered fabric with artisan stitching for clear detail.
- **Design:** Detailed emblem reflecting the Carabinieri Aeronautica Militare insignia and themes of service.
- **Use:** Suitable for display, collecting or attaching to garments where permitted.
- **Note:** Decorative patch; not an official military issuance.

Product description:

Product overview

The Scudetto Ricamato Carabinieri Aeronautica Militare is an embroidered shield patch designed

for members of the Arma dei Carabinieri and personnel serving with the Aeronautica Militare. Definition: a hook-and-loop backed embroidered identification patch for uniforms and tactical gear.

The patch measures 6.5 x 8 cm and combines red and blue fields with the Aeronautica Militare emblem and gold-thread lettering. It is suitable for duty uniforms, tactical clothing and military surplus collections, but sale is restricted to authorized personnel and licensed collectors subject to verification.

Main features

Clear, durable design made for quick fitting on uniforms and equipment.

- **Size**: 6.5 x 8 cm
- **Material**: High-quality embroidery with a gold-thread edge
- **Design**: Red and blue fields, Aeronautica Militare emblem at center, "Carabinieri" and "Aeronautica Militare" in gold-thread uppercase
- **Backing**: Hook-and-loop (velcro) rear for fast attachment and removal
- **Use cases**: Intended for uniforms, tactical garments and verified military or collector use

How to use / When it’s useful

Quick answer: attach the patch to the velcro field on your uniform, jacket or equipment for clear unit identification and a professional appearance. The velcro backing allows fast removal when laundering or changing gear.

In most cases, this patch is used on service uniforms, tactical outerwear or display items in a military surplus collection. It is not a substitute for official insignia worn under specific service regulations; follow your unit's uniform rules.

Care and notes

Basic care and purchase notes to maintain appearance and comply with sales rules.

- Avoid machine ironing directly on gold-thread areas; spot clean or gentle hand wash if necessary and remove before laundering garments that require machine wash.
- The patch is supplied only with velcro backing; do not expect sewn-on or adhesive versions unless specified by the vendor.
- Sale is restricted: military personnel must provide ID or proof of service; collectors must provide the required prefectoral license under art. 28 TULPS; delivery to a Command may be used for verification.
- Do not expose to aggressive solvents that could damage embroidery or gold thread.

FAQ

Q: Who can buy this patch?

A: Purchases are reserved for members of the Arma dei Carabinieri and Aeronautica Militare and for licensed collectors. Verification is required before the order is accepted.

Q: How do I prove my eligibility?

A: Military buyers should provide a copy of their service ID or an official service attestation. Collectors must supply the prefectoral license required by art. 28 TULPS.

Q: Can I have the patch delivered to my Command?

A: Yes. Indicating the Command as the delivery location is an accepted verification method and will be checked before authorizing the sale.

Q: What are the exact dimensions?

A: The patch measures 6.5 x 8 cm.

Q: Is the patch only available with velcro on the back?

A: Yes. This product is supplied with a hook-and-loop (velcro) rear for easy application and removal; sewn or adhesive variants are not included.

Q: Where can I purchase the patch?

A: The patch is sold through authorized military supply channels and verified vendors. Orders require the documentation described above for approval.

Tip: Choose the correct placement on your uniform or gear and check required documentation before ordering; consider browsing related tactical and military surplus patches to match colors and mounting type.
