Product short description:

Map Pouch Verde Oliva is a compact map and document pouch designed for hikers, travellers and outdoor enthusiasts. Made for practical everyday use, it keeps maps and papers protected and accessible on the trail or during travel.

- **Material:** Durable waterproof fabric protects against rain and dust.
- **Use:** Holds maps, notepads and essential documents for hiking, travel and outdoor activities.
- **Closure:** Secure zip closure keeps contents in place.
- **Attachment:** Ring for fastening to backpacks or belts.
- **Design:** Compact olive green pouch that combines functionality and simple style.

Product description:

Product overview

The Map Pouch Verde Oliva is a compact tactical document holder designed for military, police and outdoor use. It suits anyone who needs quick access to maps, notes and ID while on patrol,

hike or duty.

Definition: a small, MOLLE-compatible pouch for organizing maps, documents and a notepad in the field. The pouch is made from 100% rip-stop cotton for tear resistance and long-lasting use.

Main features

Practical, field-oriented design with easy access and secure mounting for tactical, military surplus and duty equipment.

- **Material:** 100% rip-stop cotton for tear resistance and durability.
- **Camouflage:** pixelated olive-green pattern for discreet long-distance concealment.
- **Front access:** Velcro flap with two document windows for fast ID or orders viewing.
- **Internal map holder:** folded map sleeve 33 x 28 cm plus two internal pockets (one per side).
- **External pocket:** space for a small notepad and pen.
- **MOLLE compatible:** universal attachment system for belts, vests and backpacks.
- **Compact size:** 15 x 17 x 5 cm — fits most side pockets on military trousers.

How to use / When it’s useful

Use the Map Pouch Verde Oliva to keep route maps, ID, orders and notes organized and ready. The two document windows let you show or read essential papers without fully opening the pouch.

Quick answer: ideal for patrols, field navigation, police duty or any outdoor activity that requires ready access to maps and notes. In most cases, mount it on a belt or MOLLE webbing for hands-free carrying and place the notepad in the external pocket for fast jotting.

Care and notes

Keep the pouch clean and dry to preserve fabric and color. Follow these simple care points:

- Spot clean with mild soap and cold water; air dry.
- Avoid prolonged sun exposure to reduce color fading.
- Check MOLLE straps and Velcro periodically for wear.
- Store flat with maps unfolded when possible to avoid creases.

FAQ

Q: What material is the Map Pouch Verde Oliva made of?

A: The pouch is made from 100% rip-stop cotton, chosen for tear resistance and durability in field conditions.

Q: Is the pouch MOLLE compatible?

A: Yes, it has universal MOLLE attachments so you can secure it to belts, vests and backpacks.

Q: What are the pouch dimensions?

A: External size is 15 x 17 x 5 cm, making it compact enough for most side pockets on military trousers.

Q: Does the pouch include a map holder?

A: Yes. Inside there is a folded map sleeve sized 33 x 28 cm plus two internal pockets for extra documents.

Q: Can I store a notepad and pen?

A: The external compartment is designed to hold a small notepad and has a pen slot for quick access.

Q: Is the camouflage effective for tactical use?

A: The pixelated olive-green pattern helps conceal the pouch at a distance and blends with typical outdoor and tactical environments.

Tip: Choose the Map Pouch Verde Oliva if you need a compact, MOLLE-ready document holder; check dimensions against your kit before buying and consider browsing related tactical pouches and organizers to complete your setup.
