Product short description:

The 85 Beretta blank-firing pistol in black is a realistic replica intended for collectors, film and theatre props, and non-lethal training where blank weapons are permitted. It reproduces the look and handling of the original while being designed for blank cartridges only.

- **Model:** 85 Beretta
- **Type:** Blank-firing pistol (pistola a salve)
- **Color:** Black
- **Use:** Suitable for collectors, stage and film use, and training; verify local regulations before purchase
- **Note:** Supplied for blank use only; not a functioning firearm—observe all safety rules

Product description:

Product overview

The Pistola a Salve 85 Beretta Nera is a blank-firing pistol for users who need a realistic-looking, durable signaling or deterrent device—suitable for collectors, security duty, or theatrical use. It is

made in zama with a matte black finish and a double-action trigger for flexible handling.

Definition: A blank-firing pistol that produces an audible report and visible flash when used with the correct blank cartridges.

Main features

Clear construction and practical features make this model reliable for duty, tactical training props, or collection display.

- **Construction:** Zama alloy body for strength and lasting use.
- **Action:** Double action for both single- and double-action operation.
- **Magazine capacity:** Bifilar magazine – 8 rounds with 8 mm blanks, 6 rounds with 9 PA blanks.
- **Dimensions:** Length 17 cm; height 120 mm; maximum thickness 33 mm.
- **Weight:** 860 g for balanced handling and a solid feel.
- **Included accessories:** Cleaning brush (setole) and carrying case.
- **Safety features:** Red muzzle insert to prevent solid objects exiting the barrel; intended for use with blank cartridges only.

How to use / When it’s useful

Quick answer: Use the Pistola a Salve 85 Beretta Nera with manufacturer-recommended blank cartridges (8 mm or 9 PA) for signaling, deterrence, training, or display. Follow local safety rules when handling any blank-firing device.

In most cases, this pistol is used where a realistic visual and acoustic effect is needed without live ammunition—security drills, film or theatre props, and as a deterrent device. Its compact size and weight make it easy to carry and operate.

Care and notes

Regular cleaning and correct ammunition ensure reliable performance and safe operation.

- Use only designated blank cartridges (8 mm or 9 PA) as specified.
- Keep the red muzzle insert intact; do not remove or modify it.
- Clean after use with the supplied bristle brush and store in the provided case.
- Store unloaded and out of reach of unauthorized persons; follow local legal requirements.

FAQ

Q: Is the Pistola a Salve 85 Beretta Nera legal?

A: Yes. The product is authorized by the MINISTERO DELL’INTERNO for free sale and

possession in accordance with current regulations.

Q: Which cartridges can I use?

A: The pistol supports 8 mm blank cartridges and 9 PA blank cartridges. Always use blanks specifically made for blank-firing pistols.

Q: Does the pistol come with a case?

A: Yes. Each unit includes a carrying case for transport and storage.

Q: How do I clean the pistol?

A: The pistol is supplied with a bristle cleaning brush. Clean the barrel and chamber after use, following safe handling procedures.

Q: Is this pistol effective as a deterrent?

A: The loud report and visible flash produced by blank cartridges can act as a deterrent, especially in low-light conditions, but it is not a substitute for professional self-defense tools or law enforcement measures.

Q: What safety features does it have?

A: The pistol includes a red insert at the muzzle to prevent solid objects from exiting the barrel and is designed for blank cartridges only. Do not alter safety components.

Tip: Choose the correct cartridge caliber (8 mm or 9 PA) for your needs and consider related tactical or duty accessories when browsing—check holsters, maintenance kits, and storage cases to complete your setup.
