Product short description:

A single-hole olive green cotton balaclava designed for outdoor activities and everyday use. Made from soft cotton, it offers breathable comfort while protecting the face from wind and cold, leaving only the eyes exposed. Practical and low-profile, it balances functionality with a clean, versatile look.

- **Material:** Constructed from soft, breathable cotton for comfortable, all-day wear.
- **Use:** Suitable for hiking, cycling and winter sports.
- **Design:** Single-hole construction provides full face coverage while keeping vision clear.
- **Colour:** Olive green that pairs easily with outdoor and casual clothing.

Product description:

Product overview

The Balaclava with a Single Eye Opening in Olive Green is a stretch-cotton face mask designed for outdoor enthusiasts, tactical users, and anyone needing lightweight face protection. Definition: a single-hole balaclava covers the face while leaving the eyes exposed.

Made from breathable elastic cotton, it gives soft, close fit and can be worn under helmets or hats — suitable for hiking, cycling, skiing, tactical or duty use and military surplus collections.

Main features

Key features for comfort and practical use.

- **Stretch cotton construction:** breathable, soft fabric for extended wear.
- **Single eye opening:** full face coverage with unobstructed vision.
- **One size:** length 37.5 cm, stretches to fit most head shapes and fits under helmets.
- **Olive green color:** neutral, blends with outdoor, tactical and duty clothing.
- **Easy care:** machine washable on a gentle cycle and air dry to retain shape.

How to use / When it’s useful

Quick answer: wear it to protect your face from wind, dust and cold while keeping visibility clear. It slips on quickly and can be layered under helmets, hats or other headgear.

In most cases, the balaclava is useful for outdoor sports like cycling, hiking and skiing, as well as for tactical training, duty work and general outdoor tasks. Its breathable cotton works across seasons depending on layering.

Care and notes

Simple care keeps the balaclava performing and looking good.

- Machine wash on a gentle cycle to clean.
- Air dry flat or on a hanger; avoid high-heat drying to preserve elasticity.
- Avoid bleach or strong detergents to protect the color.
- Inspect for wear if used frequently under helmets or with other hard gear.

FAQ

Q: Is this balaclava suitable for all seasons?

A: Yes. The breathable cotton can be used year-round; layer it with other garments in colder weather for added insulation.

Q: Can I wash it in the washing machine?

A: Yes. Use a gentle cycle and mild detergent, then air dry to maintain shape and fabric quality.

Q: Is the single eye opening practical for sports?

A: Yes. The design gives full face coverage while leaving a clear field of vision for cycling, skiing and similar activities.

Q: Will the olive green color fade over time?

A: The fabric is colorfast under normal care; follow washing instructions to minimize any fading after repeated washes.

Q: Is the balaclava unisex?

A: Yes. One-size design and neutral color make it suitable for both men and women.

Q: Will it fit under a helmet?

A: In most cases, yes. The elastic cotton and 37.5 cm length allow it to be worn comfortably under helmets and hats.

Tip: Choose this olive green balaclava for a low-profile, tactical or outdoor look and check related tactical, military surplus and duty gear to complete your setup. Consider fit and intended use when selecting accessories.
