## Product overview

The **Medaglia UNIFIED PROTECTOR NATO** is a commemorative campaign medal for Aeronautica Militare personnel who served during Operation NATO Unified Protector (23 March 2011–31 October 2011). It is intended for service members, veterans, and collectors of military surplus and tactical memorabilia.

Definition: A campaign medal awarded to those who completed thirty consecutive or sixty

cumulative days of honorable service during the operation.

**Main features**

Well-crafted and faithful to the original design, this medal combines NATO bronze with the ISAF ribbon and a bronzed UNIFIED PROTECTOR clasp.

- **Award criteria:** For personnel with 30 consecutive or 60 cumulative days of honorable service during NATO Unified Protector.
- **Design:** Bronze NATO-style medal with ISAF ribbon and bronzed metal clasp marked UNIFIED PROTECTOR.
- **Sizes:** Two sizes available — large 37 mm and reduced 20 mm (selectable from the dropdown).
- **Materials:** High-quality bronze finish for durability and authentic appearance.
- **Use cases:** Suitable for display, uniform wear where authorized, and military duty collections.

**How to use / When it’s useful**

Quick answer: Select the desired size (37 mm or 20 mm) from the menu and add the medal to your cart to purchase. In most cases, customers buy this item for display, historical collections, or authorized wear.

Use it as a tangible recognition of service or as part of a military surplus or tactical gear collection. If you plan to wear it on a uniform, follow current Aeronautica Militare regulations and local dress rules.

**Care and notes**

Simple care keeps the medal looking its best; store it dry and clean gently to preserve the bronze finish.

- Avoid abrasive cleaners; use a soft cloth for dust and fingerprints.
- Store in a dry place to prevent tarnishing.
- Availability is limited — high demand is expected, so consider ordering promptly.
