Product overview

The Soggolo Maresciallo Carabinieri Riga Centrale Nera 5 mm. is a rank band designed for the headgear of Maresciallo personnel in the Arma dei Carabinieri and for collectors with the proper license. It features a silver ribbon with a central 5 mm black stripe, sized for correct fit and visibility on service or parade uniforms.

Definition: a soggolo is a ribbon-style headband used on Carabinieri headgear to indicate rank and uniform distinction. Suitable for duty, ceremonial use, military surplus collections, and tactical display pieces for authorized owners.

Main features

Clean design and approved sizing make this soggolo suitable for official wear and careful collectors.

- **Distinctive look:** silver ribbon with a 5 mm central black stripe for a professional appearance.
- **Exact dimensions:** length 32 cm, height 15 mm for correct placement at the temples.
- **Durable materials:** made from quality ribbon to retain shape and appearance over time.
- **Rank detailing:** striped, black-bordered galloons (one per side) are fitted at temple height.
- **Restricted sale:** reserved for Arma dei Carabinieri personnel and licensed collectors under art. 28 TULPS.
- **Identity check:** sale requires verification via military ID or shipment to the barracks.

How to use / When it’s useful

Use the soggolo fitted on the sides of the headgear at temple level where the galloons rest. Quick answer: it signals the Maresciallo rank on official Carabinieri headgear and is used for duty, parade, and display purposes.

In most cases, the soggolo is installed by placing the ribbon on the headpiece with the galloons aligned at the temples. It is also useful for collectors who maintain regulated military surplus items and for police or tactical uniform displays when ownership is authorized.

Care and notes

Keep the soggolo clean and stored flat to preserve shape and stripe clarity. Note that ownership and sale are regulated.

- Store dry and avoid direct sunlight to prevent fading.
- Spot clean gently; avoid harsh chemicals that may damage the ribbon.
- Handle galloons carefully to keep edges and borders intact.
- Sale restricted: identity verification required (military ID or delivery to barracks).
- Collectors must provide a prefectorial license in accordance with art. 28 TULPS to complete purchase.

FAQ

Q: Who can purchase the Soggolo Maresciallo Carabinieri Riga Centrale Nera 5 mm.?

A: Only Arma dei Carabinieri personnel and collectors with a prefectorial license under art. 28 TULPS may purchase this item. Identity checks are required before sale.

Q: What are the exact dimensions of the soggolo?

A: The soggolo measures 32 cm in length and 15 mm in height, with a 5 mm central black stripe.

Q: How is buyer identity verified?

A: Verification is done via presentation of a military ID card or by arranging shipment directly to the relevant barracks address.

Q: Can civilians buy this item without a license?

A: No. Civilian purchase is only permitted for collectors who supply the required prefectorial license under art. 28 TULPS.

Q: What materials are used?

A: The soggolo is made from a silver-colored ribbon with a central black stripe and striped, black-bordered galloons applied at the temples. Materials are selected for durability and uniform appearance.

Q: How should I apply the galloons?

A: Galloons are positioned and fixed on the sides of the soggolo at temple height. Installation is straightforward but should follow uniform regulations for correct placement.
