Product overview

Pantaloni Combact Vegetato Esercito are military-style tactical pants designed for outdoor use, duty work, and everyday wear. They suit users who need durable, comfortable trousers for hiking,

field work, police or other tactical activities.

Definition: These are 100% rip-stop cotton pants built to resist tears while offering freedom of movement.

Main features

Durable construction and practical details designed for long-lasting use in demanding conditions.

- **100% rip-stop cotton:** high tear resistance for rugged outdoor and tactical use.
- **Bartack reinforcements:** strengthened stitches at high-stress seams to reduce wear.
- **Knee pad pockets:** built-in compartments at knee height for inserting padding or knee protectors.
- **Nylon leg drawcord:** adjustable hem for a secure fit and improved comfort.
- **Comfort fit:** cut for ease of movement during hiking, duty or active tasks.

How to use / When it’s useful

Quick answer: Wear these pants for outdoor activities, tactical training, military surplus needs, police duty, or everyday work where durability matters. They pair well with tactical boots and layered workwear.

In most cases, the knee pad pockets are used when extra protection is needed; leave them empty for casual wear. The adjustable hem helps keep debris out and improves fit over boots.

Care and notes

Follow simple care steps to maintain fabric strength and fit.

- Wash by hand or machine on a low-temperature cycle.
- Avoid bleach and fabric softeners to preserve rip-stop fibers.
- Dry at low temperature or air dry to prevent fabric shrinkage.

FAQ

Q: What sizes are available for Pantaloni Combact Vegetato Esercito?

A: Sizes typically range from S to XXL. Check the seller’s size guide to confirm waist and length measurements for the best fit.

Q: How should I wash these pants to avoid damage?

A: Wash by hand or in a washing machine on a low-temperature cycle. Do not use bleach or fabric softener to protect the rip-stop cotton.

Q: Are these pants suitable for daily wear?

A: Yes. Their construction balances durability and comfort, making them suitable for everyday use as well as outdoor and tactical activities.

Q: Can I insert knee pads into these pants?

A: Yes. The pants include built-in pockets at knee height designed for padding or knee protectors.

Q: What is the main material of the pants?

A: The pants are made from 100% rip-stop cotton, a fabric known for resistance to tearing and long-term durability.

Q: How durable are the seams and stitching?

A: High-stress seams are reinforced with bartack stitching to improve durability under regular and demanding use.

Tip: Choose the right size by consulting the size guide and consider the intended use (with or without knee pads). Browse similar tactical and military surplus items to complete your kit without rushing your choice.
