- **Use:** Suitable for formal and casual occasions; a refined accessory for everyday wear

Product description:

Product overview

The **Pendaglio for Ufficiali dell'Aeronautica Militare** is a ceremonial shoulder cord-style accessory designed for Italian Air Force officers who want to show service and affiliation with the Aeronautica Militare. Definition: it is a decorative cord made of grey-blue fabric bands and gold-colored threads used with official uniforms.

This military accessory combines tradition and formal appearance for duty, ceremonial and tactical dress. Available through **Tutto Militare**, it suits officers who need an authentic, regulation-compatible pendaglio.

Main features

Balanced design and practical fittings deliver a refined, professional look while remaining simple to attach.

- **Grey-blue fabric strips:** two outer strips, 2 mm each, reflecting Air Force colors.
- **Gold thread strips:** two inner gold-thread stripes, 5 mm each, for a distinguished finish.
- **Central grey-blue stripe:** one middle strip, 4 mm, completing the chromatic balance.
- **Carabiner fittings:** metal moschettoni on both ends for a secure attachment to the scabbard bells.
- **Uniform compatibility:** designed to fit official Aeronautica Militare uniforms and formal duty wear.
- **Limited production:** produced in controlled quantities and in high demand.

How to use / When it’s useful

Quick answer: attach the pendaglio by clipping the carabiners to the scabbard bells and secure it to the trouser belt so it exits on the left under the jacket. The carabiners make fitting quick and stable for formal duties and ceremonies.

In most cases, the pendaglio is worn on the left side under the jacket; alternatively, it can be routed through an opening under the left pocket flap of a waterproof overcoat for protection in bad weather. It is intended for official use, ceremonial occasions and duty uniforms.

Care and notes

Keep the pendaglio clean and stored with the uniform to preserve its appearance and fittings.

- Store dry and avoid prolonged exposure to moisture to protect the threads and metal

fittings.
- Check carabiners regularly for secure attachment before use.
- Follow uniform regulations when wearing the pendaglio to ensure proper positioning.
- Returns accepted within 30 days only if the product is in original condition.

FAQ

Q: What materials are used for the Pendaglio Ufficiali Aeronautica Militare?

A: The pendaglio is made of grey-blue fabric strips combined with gold-colored threads and metal carabiners. The design follows the traditional colors and finish used for officer accessories.

Q: How is the pendaglio attached to the uniform?

A: Attach the carabiners to the scabbard bells and secure the pendaglio to the trouser belt so it exits on the left under the jacket. It can also be routed through an opening under the left pocket flap of a waterproof overcoat.

Q: Can I buy this pendaglio online?

A: Yes. The pendaglio is available for purchase through **Tutto Militare** with standard online ordering and customer service support.

Q: Is the pendaglio compatible with all Aeronautica Militare uniforms?

A: The product is designed to be compatible with official Aeronautica Militare uniforms and standard officer dress. Always follow current uniform regulations when fitting and wearing it.

Q: What is the return policy for this item?

A: Returns are accepted within 30 days of purchase provided the pendaglio is returned in its original, unused condition. Check your order details for specific return instructions.

Q: Is the pendaglio always in stock?

A: Production is limited and demand can be high, so availability may vary. If stock is low, consider ordering promptly or contacting customer service for restock information.

Tip: Choose the correct variant or fitting option for your uniform and check the carabiner style before ordering. Browse related military and tactical accessories on the site to complete your duty or ceremonial kit.
