### Product overview

The Soggolo Maresciallo Esercito is a rank ribbon accessory for Esercito (Army) personnel and licensed collectors. It is intended to be worn on the uniform and identifies the Maresciallo rank with a refined gold-and-black design.

Definition: The Soggolo Maresciallo Esercito is a gold ribbon with black edging, a central black stripe, and a small gold galloon with a black center, positioned at temple level. Suitable for

military, tactical, and duty uniform displays or for verified military surplus collections.

**Main features**

Clear, regulation-style appearance with durable materials and limited availability for authorized users.

- **Distinctive design:** Gold ribbon bordered in black with a central horizontal black stripe and a gold galloon detailed with a black center.
- **Placement:** Designed to sit at temple height on the uniform, matching the traditional position.
- **Durable construction:** Made with high-quality, long-lasting materials for regular uniform use.
- **Easy application:** Attaches to the uniform without special tools or advanced skills.
- **Restricted availability:** Sold only to Esercito personnel or collectors with the required prefettizia license under art. 28 TULPS.

**How to use / When it’s useful**

Use the soggolo as part of the dress or ceremonial uniform where the Maresciallo insignia is required; position it at the temples as described by uniform protocols. It complements duty uniforms, tactical displays, and verified military surplus collections.

Quick answer: This item is for Esercito personnel and licensed collectors only, and must be verified before sale. In most cases, orders are dispatched to the service address after identity checks are completed.

**Care and notes**

Basic care preserves appearance and respects the item's restricted status; follow verification and shipping conditions when purchasing.

- Keep the ribbon dry and store flat to avoid creasing.
- Clean gently with a soft cloth; avoid harsh chemicals or aggressive washing.
- Sale requires identity verification: military ID for personnel or a copy of the prefettizia license for collectors (art. 28 TULPS).
- Shipping is limited: delivery is generally to the buyer’s service address, not private addresses.

## FAQ

**Q:** Who can purchase the Soggolo Maresciallo Esercito?

**A:** Only Esercito personnel and collectors who provide a valid prefettizia license under art. 28

TULPS can buy this product. Verification is mandatory before sale.

**Q:** What materials make up the soggolo?

**A:** The soggolo is described as a gold-colored ribbon with black borders and a central black stripe, plus a gold galloon with a black center. It is made from durable, high-quality materials.

**Q:** How do I prove my identity to buy this item?

**A:** Military buyers must present a military ID or request shipment to their service address. Collectors must provide a copy of the prefettizia license. Verification happens before dispatch.

**Q:** Can the soggolo be shipped to a private home address?

**A:** No. For military personnel the product is typically shipped to the service address only. This shipping restriction supports identity verification and compliance with regulations.

**Q:** How long does delivery take?

**A:** Delivery times vary depending on identity verification and stock availability. Orders are processed after verification, so allow extra time for documentation checks.

**Q:** Is this item suitable for display in a military surplus collection?

**A:** Yes. Verified collectors with the required license may purchase the item for a collection. The piece is intended to match the authorized appearance and is in demand among military surplus and duty-gear collectors.

**Tip:** Choose the correct variant and confirm verification documents before ordering; browse related uniform accessories and verified military surplus items to complete your set.
